

JOB INFORMATION FORM

The development of this project and the creation and/or retention of these jobs is being assisted with Community Development Block Grant (CDBG) funds from the U.S. Department of Housing and Urban Development (HUD) provided to the company by the _____ which it receives from the Minnesota Department of Employment and Economic Development (DEED).

The objective of the CDBG program is to create/retain jobs, of which a minimum of 51% will be “held by” low and moderate income (LMI) persons. An LMI person means a member of a family having an income equal to, or less than, the Section 8 low-income limit established by HUD. The family’s entire income must be counted. A family is all persons living in the same household who are related by blood, marriage, or adoption. An individual living in a housing unit that contains no other person (s) related to him/her is considered to be a one-person family for this purpose. Adult children who continue to live at home with their parent(s) are considered to be part of the family for this purpose and their income must be counted in determining the total family income. A dependent child who is living outside of the home is considered for these purposes to be part of the family upon which he/she is dependent, even though he/she is living in another housing unit.

Certain information must be collected regarding the position and the employee accepting the position. This information will not be disclosed or released by this office without your consent, except to the City of _____ or its agent, DEED and to HUD.
