OTHER REVIEWS

In addition to Planning Commission approval, projects involving Special Use Permits and Special Regulated Use Permits may also require approval by the **City’s Division of Public Works (DPW)** and the **Division of Public Safety (DPS)** before a Building Permit will be issued.

Applicants are encouraged to include as much of the DPW and DPS information on the site plan that will be reviewed by the Planning Commission as possible. This will help City staff to coordinate reviews between departments, helping to reduce unexpected delays for your project.

For questions about DPW requirements, contact Stacie Tewari at (989) 779-5404 or stewari@mt-pleasant.org; questions about DPS requirements can be directed to Lt. Brad Doepker at (989) 779-5122 or bdoepker@mt-pleasant.org.

Mission Street, High Street (West of Mission) and Pickard Avenue (East of Mission) are under the jurisdiction of the **Michigan Department of Transportation (MDOT)**.
