

Dear \_\_\_\_\_ (physician's office)

I have heard about a terrific program called Prescription for Health where I can receive FREE fruits and vegetables from the farmers market.

- I can also receive 6 free nutrition classes.
- If I need transportation it will be provided.
- Lab work that is not covered by my insurance will be paid for by the program

Please let me know if this office participates in the program and if I am eligible.

If this office does not participate in Prescription for Health but would like to do so please contact:
