

Myrtle Creek - City Council Agenda Report

Agenda item: Camel Jet Truck Pump Replacement

Meeting Date:	November 1, 2022	Primary Staff Contact:	Lonnie Rainville
Department:	Public Works	E-Mail:	lrainville@myrtlecreek.org
Secondary Dept.:		Secondary Contact:	

Issue before the Council:

Approval to purchase replacement pump for Camel Jet Truck.

Staff Recommendation:

Staff recommends the approval to purchase the replacement pump for the Camel Jet Truck.

Background:

The Camel Jet Truck is the essential piece of equipment that is used to excavate and expose water and sewer lines that need to be repaired. The primary pump that provides high pressure water for excavation is failing.

Related City Policies:

Procurement policy

Fiscal Impact:

\$22,010, the cost of the new pump and installation.

Council Options:

Council can approve the purchase of the new pump.

Council can deny the purchase of the new pump.

Potential Motion:

I make the motion to approve the City to purchase the new pump for the Camel Jet Truck in the amount of \$22,010.
