### PERMIT REQUIREMENTS:

- CONSTRUCTION STANDARDS:** Construction shall be per selected design option.
- INSPECTION BEFORE POURING:** Inspection by the City is to be completed prior to Concrete Pour.
- SUBSTANDARD CONSTRUCTION:** The City may require sidewalks, curbs and driveways which are not constructed to City standards to be removed and reconstructed.
- AUTHORIZATION FOR CITY TO RECONSTRUCT:** The applicant hereby authorizes the City to remove and reconstruct substandard curbs, sidewalks, and driveways if the substandard work is not removed and reconstructed within 90 days of written notification that the work is substandard. The applicant also agrees to reimburse the City for any costs associated to reconstruction.
- LICENSED CONTRACTOR:** Contractors shall be licensed by the Oregon Builders Board and hold a current City of Myrtle Creek Business License.

**THIS PERMIT EXPIRES IN 60 DAYS**
