**Go To: [www.municipalonlinepayments.com/lakeplacidny](http://www.municipalonlinepayments.com/lakeplacidny)**

**This site accesses your utility bills for electric and water and sewer only. Property taxes cannot be paid on this site**

**Use this to make payments, review bills, get consumption history, get service dates on meter reads and provide you with complete access to the same information that the Village Accounting Office has. There is no fee for using the site; there is only a fee if you make a payment using a credit card.**

**The credit card fee is \$4.90 per each total transaction. (If you pay your electric AND your water- sewer bill in one transaction and you will only be charged the fee once.)**

**To access the site, you will need your utility billing account number and your last payment amount for each account that you would like to establish. After you have set up the first account on the site, when you reach the bottom of the screen, select ADD account to add additional accounts.**

**If you have any questions, please contact Billing Office at 518-523-2597.**
