Aaron M. Rhoades, City Clerk
CITY OF NORTH POLE
ORDINANCE NO. 21-02

AN ORDINANCE OF THE CITY OF NORTH POLE, ALASKA TO
AMEND TITLE 4 REVENUE AND FINANCE OF THE CITY OF NORTH
POLE’S CODE AND ADOPT SECTION 4.08.200 – 4.08.500 THE
UNIFORM ALASKA REMOTE SELLER SALES TAX CODE

WHEREAS, the inability to effectively collect sales tax on sales of property, products, or services
transferred or delivered into Alaska is seriously eroding the sales tax base of communities, causing
revenue losses and imminent harm to residents through the loss of critical funding for local public
services and infrastructure; and

WHEREAS, the harm from the loss of revenue is especially serious in Alaska because the State has no
broad-based sales tax or income tax, and sales tax revenues are one of the primary sources of funding for
services provided by local governments; and

WHEREAS, the failure to collect sales tax on remote sales creates market distortions by creating an
unfair tax advantage for businesses that limit their physical presence in the taxing jurisdictions but still
sell goods and services to consumers, which becomes easier and more prevalent as technology advances;
and

WHEREAS, the failure to tax remote sales results in the creation of incentives for businesses to avoid a
physical presence in the state and its respective communities, resulting in fewer jobs and increasing the
share of taxes to those consumers who buy from competitors with a physical presence in the state and its
cities; and

WHEREAS, the structural advantages for remote sellers, including the absence of point-of-sale tax
collection, along with the general growth of online retail, make clear that erosion of the sales tax base is
and has been occurring; and

WHEREAS, remote sellers who make a substantial number of deliveries into or have large gross
revenues from Alaska benefit extensively from the Alaska market, affecting the economy as well as
burdening local infrastructure and services; and

WHEREAS, delivery of goods and services into local municipalities rely on and burden local
transportation systems, emergency and police services, waste disposal, utilities and other infrastructure
and services; and,

WHEREAS, given modern computing and software options, it is neither unusually difficult nor
burdensome for remote sellers to collect and remit sales taxes associated with sales into Alaska taxing
jurisdictions; and
WHEREAS, due to the recent decision by the United States Supreme Court and the lack of a state sales tax, it is appropriate for the municipalities to collectively amend their sales tax codes to account for remote sellers who do not have a physical presence either in the State of Alaska or in a specific taxing jurisdiction, but do have a taxable connection with the State of Alaska or taxing jurisdiction; and

WHEREAS, this ordinance is not retroactive in its application; and

WHEREAS, this ordinance provides a safe harbor to those who transact limited sales in Alaska; and

WHEREAS, amending local sales tax codes reflects the 2018 Supreme Court’s “Wayfair” decision to allow for the application of the taxing jurisdiction’s sales tax code requirements to sellers without a physical presence in the State of Alaska or taxing jurisdiction; and

WHEREAS, the intent is to levy municipal sales tax to the maximum limit of federal and state constitutional doctrines; and

WHEREAS, the City of North Pole has entered into a cooperative agreement with other local governments called the Alaska Intergovernmental Remote Sellers Sales Tax Agreement (“the Agreement”); and

WHEREAS, the terms of the Agreement require adoption of certain uniform provisions for collection and remittance of municipal sales tax applicable to sales made by remote sellers similar to the Streamlined Sales and Use Tax Agreement; and

WHEREAS, the function and powers of the Commission are set forth in the Agreement, a cooperative agreement between members approved by the City of North Pole under Resolutions No. 20-08.

Section 1. ENACTMENT. B. The application of the tax levied under this Chapter shall be broadly construed and shall favor inclusion rather than exclusion.

C. Exemptions from the tax levied under this Chapter or from the taxing jurisdiction shall be narrowly construed against the claimant and allowed only when such exemption clearly falls within an exemption defined in this Chapter or the taxing jurisdiction’s Code.

D. The scope of this Chapter shall apply to remote sellers or marketplace facilitators, delivering products or services to Member municipalities adopting this Chapter, within the State of Alaska.

4.08.220 Title to collected sales tax.

Upon collection by the remote seller or marketplace facilitator, title to collected sales tax vests in the Commission for remittance to the taxing jurisdiction. The remote seller or marketplace facilitator remits collected sales tax to the Commission on behalf of the taxing jurisdiction, from whom that power is delegated, in trust for the taxing jurisdiction and is accountable to the Commission and taxing jurisdiction.

4.08.230 Imposition - Rate.

A. To the fullest extent permitted by law, a sales tax is levied and assessed on all remote sales where delivery is made within the local taxing jurisdiction(s) that is a Member, within the state of Alaska.

B. The applicable tax shall be added to the sales price.

C. The tax rate added to the sale price shall be the tax rate for the taxing jurisdiction(s) where the property or product is sold or service that was rendered is received, and based on the date the property or product was sold or the date the service rendered was received.

D. An Address and Tax Rate Database will be made available to remote sellers and marketplace

E. The tax assessed shall be consistent with relevant jurisdictional tax caps, single unit sales, and exemptions.

F. When a sale is made on an installment basis, the applicable sales tax shall be collected at each payment, calculated at the sales tax rate in effect, and with the cap applied, at the time of the original sale or the date the service is rendered, based on the local jurisdictions’ Code(s).

G. When a sales transaction involves placement of a single order with multiple deliveries made at different points in time that are separately invoiced, the applicable sales tax shall be collected on each separately invoiced delivery, calculated at the sales tax rate in effect, and with the cap applied, at the time of the original sale or the date the service is rendered.

4.08.240 Obligation to collect tax - Threshold criteria.

A. Any remote seller or marketplace facilitator must collect and remit sales tax in compliance with all applicable procedures and requirements of law, provided the remote seller or marketplace facilitator has met one of the following Threshold Criteria (“Threshold Criteria”) in the previous calendar year:

1. The remote seller’s statewide gross sales, including the seller’s marketplace facilitator’s statewide gross sales, from the sale(s) of property, products or services delivered into the state meets or exceeds one hundred thousand dollars ($100,000); or

2. The remote seller, including the seller’s marketplace facilitator, sold property, products, or services delivered into the state in two hundred (200) or more separate transactions.

B. For purposes of determining whether the Threshold Criteria are met, remote sellers or marketplace facilitators shall include all gross sales, from all sales of goods, property, products, or services rendered within the state of Alaska.

4.08.250 No retroactive application.

The obligations to collect and remit sales tax required by this Chapter are applicable at the effective date of the ordinance adopting the Alaska Remote Seller Sales Tax Code.

4.08.260 Payment and collection.

Pursuant to this Chapter, taxes imposed shall be due and paid by the buyer to the remote seller or marketplace facilitator at the time of the sale of property or product or date service is rendered, or with respect to credit transactions, at the time of collection. It shall be the duty of each remote seller or marketplace facilitator to collect the taxes from the buyer and to hold those taxes in trust for the taxing
4.08.270 Remote seller and marketplace facilitator registration requirement.

A. If a remote seller’s gross statewide sales within the last calendar year meets or exceeds the Threshold Criteria, the remote seller shall register with the Commission. If a marketplace facilitator’s gross statewide sales within the last calendar year meets or exceeds the Threshold Criteria, the marketplace facilitator shall register with the Commission.

B. A remote seller or marketplace facilitator meeting the Threshold Criteria shall apply for a certificate of sales tax registration within thirty (30) calendar days of the effective date of this Chapter or within thirty (30) calendar days of meeting the Threshold Criteria, whichever occurs second. Registration shall be to the Commission on forms prescribed by the Commission.

C. An extension may be applied for and granted based on criteria established by the Commission, based on evidence produced to describe time necessary to update software or other technical needs, not to exceed ninety (90) days.

D. Upon receipt of a properly executed application, the Commission shall confirm registration, stating the legal name of the remote seller or marketplace facilitator, the primary address, and the primary sales tax contact name and corresponding title. The failure of the Commission to confirm registration does not relieve the remote seller or marketplace facilitator of its duty to collect and remit sales tax.

E. Each business entity shall have a sales tax registration under the advertised name.

F. The sales tax certificate is non-assignable and non-transferable.

4.08.280 Tax filing schedule.

A. All remote sellers or marketplace facilitators subject to this Chapter shall file a return on a form or in a format prescribed by the Commission and shall pay the tax due.

B. Filing of sales tax returns are due monthly; quarterly filing is optional upon application and approval by the Commission, consistent with the code of the local jurisdiction.

C. A remote seller or marketplace facilitator who has filed a sales tax return will be presumed to be making sales in successive periods unless the remote seller or marketplace facilitator files a return showing a termination or sale of the business in accordance with this Chapter.

D. The completed and executed return, together with the remittance in full for the tax due, shall be
transmitted to and must be received by the Commission on or before midnight Alaska Standard Time on the due date. Monthly returns are due the last day of the immediate subsequent month. Quarterly returns are due as follows:

- Quarter 1 (January – March) ________ April 30
- Quarter 2 (April – June) ________ July 31
- Quarter 3 (July – September) ________ October 31
- Quarter 4 (October – December) ________ January 31

E. If the last day of the month following the end of the filing period falls on a Saturday, Sunday, federal holiday, or Alaska state holiday, the due date will be extended until the next business day immediately following.

F. Any remote seller or marketplace facilitator holding a remote seller registration shall file a sales tax return even though no tax may be due. This return shall show why no tax is due. If the remote seller or marketplace facilitator intends to continue doing business a return shall be filed reflecting no sales and a confirmation of the intent to continue doing business and shall continue to do so each filing period until the entity ceases doing business or sells the business. If the remote seller or marketplace facilitator intends to cease doing business, a final return shall be filed along with a statement of business closure.

G. The remote seller or marketplace facilitator shall prepare the return and remit sales tax to the Commission on the same basis, cash or accrual, which the remote seller or marketplace facilitator uses in preparing its federal income tax return. The remote seller or marketplace facilitator shall sign the return, and transmit the return, with the amount of sales tax and any applicable penalty, interest, or fees that it shows to be due, to the Commission.

H. Remote sellers and marketplace facilitators failing to comply with the provisions of this Chapter shall, if required by the Commission and if quarterly filing has been chosen, file and transmit collected sales taxes more frequently until such time as they have demonstrated to the Commission that they are or will be able to comply with the provisions of this Chapter. Six (6) consecutive on-time sales tax filings, with full remittance of the sales taxes collected, shall establish the presumption of compliance and return to quarterly filing.

I. The preparer of the sales tax return shall keep and maintain all documentation supporting any and all claims of exempted sales and purchases. Documentation for exempted sales should include the number of the exemption authorization card presented by the buyer at the time of the purchase, the date of the purchase, the name of the person making the purchase, the organization making the purchase, the total amount of the purchase, and the amount of sales tax exempted. This documentation shall be made available to the Commission upon request. Failure to provide such documentation may invalidate that portion of the claim of exemption for which no documentation is provided.

4.08.290 Estimated tax.
A. In the event the Commission is unable to ascertain the tax due from a remote seller or marketplace facilitator by reason of the failure of the remote seller or marketplace facilitator to keep accurate books, allow inspection, or file a return, or by reason of the remote seller or marketplace facilitator filing a false or inaccurate return, the Commission may make an estimate of the tax due based on any evidence in their possession.

B. Sales taxes may also be estimated, based on any information available, whenever the Commission has reasonable cause to believe that any information on a sales tax return is not accurate.

C. A remote seller’s or marketplace facilitator’s tax liability under this Chapter may be determined and assessed for a period of six (6) years after the date the return was filed or due to be filed with the Commission. No civil action for the collection of such tax may be commenced after the expiration of the six-year period except an action for taxes, penalties, and interest due from those filing periods that are the subject of a written demand or assessment made within the six-year period, unless the remote seller or marketplace facilitator waives the protection of this section.

D. The Commission shall notify the remote seller or marketplace facilitator, in writing, that the Commission has estimated the amount of sales tax that is due from the remote seller or marketplace facilitator. The Commission shall serve the notice on the remote seller or marketplace facilitator by delivering the notice to the remote seller’s or marketplace facilitator’s place of business, or by mailing the notice by certified mail, return receipt requested, to the remote seller’s or marketplace facilitator’s last known mailing address. A remote seller or marketplace facilitator who refuses the certified mail will be considered to have accepted the certified mail for purposes of service.

E. The Commission’s estimate of the amount of sales tax that is due from a remote seller or marketplace facilitator shall become a final determination of the amount that is due unless the remote seller or marketplace facilitator, within thirty (30) calendar days after service of notice of the estimated tax:

1. Files a complete and accurate sales tax return for the delinquent periods supported by satisfactory records and accompanied by a full remittance of all taxes, interest, penalties, costs, and other charges due; or

2. Files a written notice with the Commission appealing the estimated tax amount in accordance with the appeal procedures.

3. Arguments or reasons for failure to timely file a return and remit taxes collected shall not be considered a valid basis or grounds for granting an appeal. The basis and grounds for granting an appeal of an assessment are:

   a. The identity of the remote seller or marketplace facilitator is in error;

   b. The amount of the debt is erroneous due to a clerical error (and the nature and extent of the error is specified in the request for appeal); or
c. The remote seller or marketplace facilitator disputes the denial of exemption(s) for certain sales.

F. The amount of sales tax finally determined to be due under this section shall bear interest and penalty from the date that the sales tax originally was due, plus an additional civil penalty of fifty dollars ($50) for each calendar month or partial month for which the amount of sales tax that is due has been determined.

4.08.300 Returns - Filing contents.
A. Every remote seller or marketplace facilitator required by this Chapter to collect sales tax shall file with the Commission upon forms furnished by the Commission a return setting forth the following information with totals rounded to the nearest dollar:

1. Gross sales;

2. The nontaxable portions separately stating the amount of sales revenue attributable to each class of exemption;

3. Computation of taxes to be remitted;

4. Calculated discount (if applicable) based on taxing jurisdiction’s code; and

5. Such other information as may be required by the Commission.

B. Each tax return remitted by a remote seller or marketplace facilitator shall be signed (digital or otherwise) by a responsible individual who shall attest to the completeness and accuracy of the information on the tax return.

C. The Commission reserves the right to reject a filed return for failure to comply with the requirements of this Code for up to three (3) months from the date of filing. The Commission shall give written notice to a remote seller or marketplace facilitator that a return has been rejected, including the reason for the rejection.

4.08.310 Refunds.
A. Upon request from a buyer or remote seller or marketplace facilitator, the Commission shall provide a determination of correct tax rate and amount applicable to the transaction. In the case of an overpayment
of taxes, the remote seller or marketplace facilitator shall process the refund and amend any returns accordingly.

B. If the claimant is a remote seller or marketplace facilitator, and the tax refund is owed to any buyer, the remote seller or marketplace facilitator submits, and the Commission approves, a refund plan to all affected buyers.

C. The Taxing Jurisdictions may allow a buyer to request a refund directly from the Taxing Jurisdiction.

4.08.320 Amended returns.

A. A remote seller or marketplace facilitator may file an amended sales tax return, with supporting documentation, and the Commission may accept the amended return, but only in the following circumstances:

1. The amended return is filed within one (1) year of the original due date for the return; and

2. The remote seller or marketplace facilitator provides a written justification for requesting approval of the amended return; and

3. The remote seller or marketplace facilitator agrees to submit to an audit upon request of the Commission.

B. The Commission shall notify the remote seller or marketplace facilitator in writing (by email or otherwise) whether the Commission accepts or rejects an amended return, including the reasons for any rejection.

C. The Commission may adjust a return for a remote seller or marketplace facilitator if, after investigation, the Commission determines the figure included in the original returns are incorrect; and the Commission adjusts the return within two (2) years of the original due date for the return.

D. A remote seller or marketplace facilitator may file a supplemental sales tax return, with supporting documentation, and the Commission may accept the supplemental return, but only in the following circumstances:

1. The remote seller or marketplace facilitator provides a written justification for requesting approval of the supplemental return; and
2. The remote seller or marketplace facilitator agrees to submit to an audit upon request of the Commission.

4.08.330 Extension of time to file tax return.

Upon written application of a remote seller or marketplace facilitator, stating the reasons therefor, the Commission may extend the time to file a sales tax return but only if the Commission finds each of the following:

1. For reasons beyond the remote seller’s or marketplace facilitator’s control, the remote seller or marketplace facilitator has been unable to maintain in a current condition the books and records that contain the information required to complete the return;

2. Such extension is a dire necessity for bookkeeping reasons and would avert undue hardship upon the remote seller or marketplace facilitator;

3. The remote seller or marketplace facilitator has a plan to cure the problem that caused the remote seller or marketplace facilitator to apply for an extension and the remote seller or marketplace facilitator agrees to proceed with diligence to cure the problem;

4. At the time of the application, the remote seller or marketplace facilitator is not delinquent in filing any other sales tax return, in remitting sales tax to the Commission or otherwise in violation of this chapter;

5. No such extension shall be made retroactively to cover existing delinquencies.

4.08.340 Audits.

A. Any remote seller or marketplace facilitator who has registered with the Commission, who is required to collect and remit sales tax, or who is required to submit a sales tax return is subject to a discretionary sales tax audit at any time. The purpose of such an audit is to examine the business records of the remote seller or marketplace facilitator in order to determine whether appropriate amounts of sales tax revenue have been collected by the remote seller or marketplace facilitator and remitted to the Commission.

B. The Commission is not bound to accept a sales tax return as correct. The Commission may make an independent investigation of all retail sales or transactions conducted within the State or taxing jurisdiction.
C. F. For the purpose of ascertaining the correctness of a return or the amount of taxes owed when a return has not been filed, the Commission may conduct investigations, hearings, and audits, and may examine any relevant books, papers, statements, memoranda, records, accounts, or other writings of any remote seller or marketplace facilitator at any reasonable hour on the premises of the remote seller or marketplace facilitator, and may require the attendance of any officer or employee of the remote seller or marketplace facilitator. H. Any remote seller, marketplace facilitator, or person engaged in business who is unable or unwilling to submit their records to the Commission shall be required to pay the Commission for all necessary expenses incurred for the examination and inspection of their records maintained outside the Commission.

C. The Commission shall make a final written determination on the remote seller’s or marketplace facilitator’s protest and mail a copy of the determination to the remote seller or marketplace facilitator.

D. If a written protest is not filed within thirty (30) days of the date of the notice of estimated tax or the result of a review, audit, or examination, then the estimated tax, review, audit, or examination result shall be final, due and payable to the Commission.

Section 2. Title 13 is amended in the North Pole Code of Ordinances as follows (new text in underline, deleted text in strike through):

A. Purpose of the Utility Customer Emergency Payment Fund. The City of North Pole recognizes that residential utility customers can encounter emergency situations that make paying their monthly utility bills a hardship. To help prevent residential utility customers’ utility accounts becoming delinquent, the City has created the Utility Customer Emergency Payment Fund. A residential utility customer facing an emergency that is causing them a financial hardship may apply for temporary assistance to pay all or a portion of their North Pole Utility bill.

B. Funding of Utility Customer Emergency Payment Fund.

1. Round-Up utility rate
   a. Automatic enrollment. All utility customers will automatically be enrolled in the Round-Up utility rate. The Round-Up utility rate shall be calculated by rounding up the total monthly utility charge on a utility bill to the nearest whole dollar amount; for example, a utility bill calculated at $47.23 would be rounded up to $48.00.
   b. Opt-out participation. Utility customers not wishing to participate in the Round-Up rate must opt out of the rate by providing a written request to be removed from the rate. A utility customer who opts out of the Round Up rate will not be eligible for the benefits of the Utility Customer Emergency Payment Fund commencing from the date they withdraw. Utility account holders who previously opted out of the Round Up rate may request to re-enroll in the rate. A utility customer who withdrew from the rate will not be eligible for the benefits of the rate for a period of 60 days from the time they re-enrolled. In addition, an individual re-enrolling in the Round-Up rate shall not be eligible for any benefits of the rate for an event that occurred from the
time they withdrew from the Round-Up rate through the end of the 60-day waiting period after they re-enrolled in the Round-Up rate.

2. The revenue generated by the Round-Up rate shall be used to support the Utility Customer Emergency Payment Fund.

3. Funds generated by the Round-Up rate shall be deposited in a dedicated fund.

4. North Pole Utility customers may contribute to the Utility Customer Emergency Payment Fund. When terminating their utility accounts, customers will be provided the option to transfer all or part of their deposits to the Fund. Contributions to the Utility Customer Emergency Payment Fund are not tax deductible.

C. Management of Utility Customer Emergency Payment Fund. All funds contributed to the Fund shall be deposited in a dedicated fund separate from the operating funds of the City. Funds of the Utility Customer Emergency Payment Fund can only be used to offset North Pole water and sewer utility bills of residential utility customers requesting assistance. Funds of the Utility Customer Emergency Payment Fund cannot be used to pay utility assessments; liquidated damages payments; commercial or multifamily utility bills; utility tie-in fees; legal fees associated with a delinquent utility account or accounts delinquent for nonemergency reasons. The purpose of the emergency fund is to provide temporary assistance to utility customers facing short-term hardships and not to provide ongoing utility bill subsidies for residential utility customers.

D. Awarding Utility Customer Emergency Payment Fund

1. The City Council shall have the sole authority to disburse the funds of the Utility Customer Emergency Payment Fund to utility customers applying for assistance to pay their North Pole Utility bills.

   a. Guidelines for Awarding Emergency Funds.

      i. Documented significant decline in household income that results in a demonstrated financial hardship.

      ii. Unexpected major household expenses like medical bills, emergency home repair, water line breaks causing an excessive water bill, emergency automobile repair, etc. that results in a demonstrated financial hardship.

      iii. Changes in family status like divorce, separation, or deployment of a military spouse that results in a demonstrated financial hardship.

      iv. Other criteria as approved by the City Council.

2. Awarding Emergency Funds. The City Council can award assistance no greater than funds available in the Utility Customer Emergency Payment Fund and cannot recommend awards that create a financial liability for the City. Awards are not cash payments but direct transfers from the Utility Customer Emergency Payment Fund.
to the North Pole Utility to offset the applicant's utility bill.

3. Application for Utility Customer Emergency Payment Fund awards. A residential North Pole Utility customer seeking an award from the Utility Customer Emergency Payment Fund to help pay all or part of their North Pole Utility bill shall provide a written and notarized explanation of the reason they need an award and the supporting income information as needed to demonstrate financial need. The explanation shall include the dollar amount of their utility bill and the dollar amount of their award request. Applicants shall submit their request for an award no later than seven (7) calendar days before the next regularly scheduled City Council Meeting. The customer making the request shall submit their written request for assistance from the Utility Emergency Assistance Fund through the City Clerk to the City Council. The contents of the request shall be confidential.

Section 3. EFFECTIVE DATE. This ordinance shall become effective the second Utility billing period after passage of the ordinance.

INTRODUCED AND ADVANCED by a duly constituted quorum of the North Pole City Council this 1st day of March, 2021.
