No: 0

Absent: 1 - Keller

COMMUNICATIONS FROM THE MAYOR

- Mayor Welch read the proclamation for the student of the month, Noah Connolly.
- President/CEO Jomo Stewart with the Fairbanks Economic Development Corporation was with us tonight with a presentation about FEDCo.
- The Mayor

COUNCIL MEMBER QUESTIONS OF THE MAYOR

- None

COMMUNICATIONS FROM DEPARTMENT HEADS, BOROUGH REPRESENTATIVE AND THE CITY CLERK

Police Department, Chief Dutra

- Shop with a Cop was Saturday we had 5 officers and kids. Handed out food boxes to each family from the Food Bank and helped the kids buy \$150 worth of gifts. NPPD covered the costs for food and wrapping supplies to help keep money in the program. I want to thank each officer for taking time to come to this

event.

- Press release was sent to you on the baby homicide we had in 2005. It is a huge relief to finally have an indictment on this case. It has weighed heavy on our thoughts for many years.
- Stats – Activity is up. DUI's are up.
- Merry Christmas and Happy New Year and thank you all for your support.

Fire Department, Chief Heineken

- The Fire Department Christmas caroling fire truck is underway for this holiday season. It started on the 15th and will be going every evening and travels around on all the city streets.
- Chief Heineken talked about being a member of the Interior Fire Chiefs association and shared that he has been elected president of that organization for a 2-year term. Chief Heineken said that the position was on his bucket list and that he is honored.

Ms. Clack and Mr. Jacobson both offered congratulations to the Chief.

Finance, Tricia Fogarty

- Ms. Fogarty let the council know that she sent out financials today around 5. She also sent the info about how much heating oil the city has used so far this year. She said that because the prices increased so much that many of the department budgets didn't cover the total costs and we are moving around money in the ordinance and fiscal note that the council approved tonight to cover those additional costs.

Director of City Services, Danny Wallace – Paul Trissel was with us tonight in Mr. Wallace's absence

Building Department

- Building permitting has slowed down considerably (indoor projects only).
- During November and December, we issued four building permits (three gas conversions and building/elec/plumbing/mech for the Grab and Go Pizza Hut in the Mall).
- We are still working on getting the contracts signed by our building inspectors. We'll ask Mayor Welch to also sign these.

Public Works Department

- Snowplowing continues to go well and we've completed our fourth plowing.
- Last week we received calls about the Transfer Site in North Pole (on the west side of the Old Richardson) – roads were rutted and dangerous. Given the location, many people assume that the City maintains those roads (we do not). FNSB maintains those roads and we discussed this with Bob Jordan (FNSB PW Supervisor). He mentioned that they were aware and would take care of it.
- Coordination with DOT on plowing efforts seems to be going well thus far. Our PW Supervisor, Cody Lougee, has no complaints.
- We're looking at options to have Hubbard Construction remove hard pack in Jan or February. This would make the spring removal easier (and result in safer roads). We're still looking into the cost/possibility of doing this for the community.

Utility Department

- We are moving forward with the utilities rate increase that was included with the budget submission. The as-of date for this is March 1, 2023. We'll ensure that our customers are notified and understand the need for this rate change. You should see an information sheet on this in your packet.
- Also in your packet, you'll see a sewer forgiveness memo. The customer had a leak and is requesting relief from his sewer bill (the water did not go into the sewer). Code allows us to forgive part of the bill in this circumstance, but also requires that we inform the Council.

Moose Creek

- The Period of Performance (end date) has been extended to June 30th, 2023. This is required due to much of the work (grading, hydroseeding, pipe work) was not completed and will be completed next year.
- We have begun discussions with the Air Force about how this project will conclude and the potential for establishing a reserve fund for future maintenance and capital costs. We've only had one meeting (last Thursday), but the AF mentioned they would begin asking the question on their side (if this is possible).

Mr. Skippy shared a few things that he has noticed about the snow removal that DOT has been doing and a few areas that need clean up.

- Mr. Trissel said that he would pass along the info the public works department.

Human Resources, Ellen Glab

- Ms. Glab shared that her SHRM test is Thursday and that's about all that she had to share tonight.

The Mayor asked when she would hear the results back from her test.

- Ms. Glab said that she did not know right now, but that would get back to him with that info.

Borough Representative

- Ms. Welch attended no meetings since the last NPCC meeting.

City Clerk's Office, Melissa Dionne

- Ms. Dionne said that she did not have anything new to share with the Council since the last meeting.

The Mayor asked how her training was progressing.

- Ms. Dionne shared that she has some new trainings coming up in the new year and would report back on them as they get closer.

ON GOING PROJECTS

- Dan Britton, General Manager of the Interior Gas Utility, was with us to give us an update on the IGU and to talk about Mike Miller be reconfirmed as the NP representative to the IGU.

Mr. Jacobson shared that he just passed his 1-year anniversary of being on natural gas and that he loves it.

Mr. Clack and Mr. Cromer asked about the natural gas conversion process, prices, and the borough conversion

assistance program.

- Mr. Britton shared that citizens' could get more information on the process on their website.

CITIZENS COMMENTS – (Limited to Five (5) minutes per Citizen)

- None

New Business

- Ordinance 22-29, An Ordinance of the City of North Pole Changing the Order of Business

Mr. Jacobson *moved* to approve 22-29

Seconded *by* Ms. Welch

On the Resolution

DISCUSSION

None

PASSED

Yes: 7 – A. Welch, Clack, Cromer, Skipp, Jacobson, Welch

No: 0

Absent: 1 - Keller

COUNCIL COMMENTS

- Ms. Clack said that she enjoyed hearing from Mr. Stewart regarding FedCo and what they do. She wished everyone a nice Christmas and New Year. She shared that she is leaving tonight for Hawaii, it is a long overdue trip for her wedding anniversary.
- Ms. Welch offered a congratulations to Ms. Clack on her anniversary. She wished everyone to enjoy the holidays and reminded everyone that it is not that gifts that we receive that is important, but the gifts we give, especially love.
- Mr. Cromer wished everyone a Merry Christmas and a happy new year. He is also off on a vacation in a few days and let us know that he will miss the next 2 council meetings.

- Mr. Jacobson apologized for missing that last council meeting, he had to be at the City of Fairbanks council meeting due to his position as head of the public works department. He thanked the council for keeping the 2023 budget and sales tax the way that it was at the last meeting, he feels that that was the right thing to do to have some extra monies available for 2023 for unexpected expenses. He congratulated Chief Heineken for becoming the president of the Interior Fire Chiefs Association and to his son who was recently promoted in his job with the fire department at the City of Fairbanks. Mr. Jacobson said that the governor's budget came out today and that it did not include money for community assistance programs. That could change later when the budget goes to the legislature. He said that the presentations from IGU and FedCo were great tonight and wished everyone a safe Christmas season. He said that it is an honor to serve with the council and wished everyone the best in 2023.
- Mayor Welch said that he couldn't do some of the holiday things that he likes to do this year because of his health. He was with Barry Nicholsburg recently, Mr. Nicholsburg is the Chairman of Gift and Endowments for the Jimmy Carter Center, they enjoyed a meal at the Pagoda and had a good time. He said that the spirit of Christmas does live with us and hopes that we can close out the year safely and thanked everyone who works for the city and that we have the good citizens that we have.

ADJOURNMENT

Ms. Welch *moved* to adjourn
Seconded *by* Ms. Clack

The regular meeting of Monday, December 19, 2022, adjourned at 8:49 p.m.

These minutes passed and approved by a duly constituted quorum of the North Pole City Council on Monday, December 19, 2022.

ATTEST:

Melissa Dionne, City Clerk
