

Minimum Qualifications

- 18 years of age
- Willingness to learn
- Valid Drivers License
- Must be in good physical condition and of sound character

Benefits of Being a Volunteer

- Satisfaction of helping others in need.
- A sense of accomplishment by providing a valuable service to the community.
- Opportunity to become a certified Firefighter and /or EMT at no cost to you.
- Receive college credit for each certification level you obtain.
- Required firefighting gear will be provided.

Facts:

- Volunteers comprise 73% of firefighters in the United States.
- The cost to train and equip a firefighter is approximately \$4500.
- Nearly 4000 Americans die each year in house fires.

The commitment you make as a volunteer firefighter is not only to the fire department but also to the community.

This is a noble commitment and your greatest driving force will be your pride and passion in the job you do.

About NPFD

North Pole Fire Department provides fire protection for the City of North Pole and approximately 100 square miles in the surrounding area.

A staff comprised of career and volunteer members give the community year round 24 hour protection in the event of nearly

any type of emergency. The members of the North Pole Fire Department are justifiably proud of their reputation in the community as caring, hard working professionals. It takes dedication and commitment to serve the public. The North Pole Fire Department always welcomes new members who have the desire to be the best.

Volunteer Firefighter/EMT

The backbone of emergency operations is the people who provide the service to

the public. The volunteer fire and emergency medical services is a challenging, exciting and rewarding experience, conveniently condensed into one package.

The volunteer firefighter/EMT role at NPFD is operational in nature, with these members trained for response to fire, EMS, rescue and hazardous material emergencies.

Ask Yourself:

Have you ever wanted to **GET INVOLVED** and make a difference?

Have you ever wanted to **HELP** your neighbors and friends?

Have you ever considered learning to be an **EMERGENCY MEDICAL TECHNICIAN?**

How about **FIREFIGHTING?**

Becoming a volunteer firefighter/EMT can be the most rewarding experience of your life and allows you to reach out to someone in need.

Together with the North Pole Fire Department you can ensure that there is always someone to...

“Answer the call”

Training

A wide range of training opportunities and classes are offered throughout the year to volunteers in good standing with the department.
