1. Monthly charge assessed to customers with electronic ultrasonic meters to offset cellular support charge assessed to the Utility.
2. The monthly sewer charge for the months of May, June, July, and August will be capped at an amount not to exceed the average of the water usage during the months September through April for Single Family and Senior Single-Family residential customers only.
3. Facility Repair and Replacement (FRR): Funds generated to repair and replace utility capital infrastructure.
4. Fire Hydrant Meter deposit: The deposit is returned if the equipment is returned in good working order with no damages. Any damages to the equipment are deducted from the deposit. Any damages in excess of the deposit are added to the bulk water charge invoice.
