Applicant certifies that all information given is correct and that all pertinent plumbing ordinances will be complied with in performing the work for which this permit is issued. Section 23a of the state construction code act of 1972, 1972 PA 230, MCL 125.1523A, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building or a residential structure. Violators of Section 23a are subjected to civil fines.
