**No Public Presentation:**

**Commissioner's Report:**

The Safety Service Director has decided to use the 3rd St water line tree replacement funding to pay for tree removal at Lakeview Park.

**New Business**

Jerry Tarolli brought up the first tree removal request by Kami Hernandez at 903 Lee Ave. for discussion. The tree appears healthy, was trimmed within the last couple of years. The complaint cites roots in the sewer line despite another yard tree may be the culprit. Removal was denied with a motion by Ed Urban and seconded by Lisa Bodi.

The second tree for discussion on 734 Clinton St, however the complainant was not the owner. The small cherry tree appears healthy and the concern is the berries making a mess. Ed Urban made a motion to trim the tree and Lisa Bodi seconded the motion.

The third tree for discussion was at 323 E 2nd St. and refers to the wrong tree so Ed Urban made a motion to deny removal and Lisa Bodi seconded the motion.

**Old Business**

There was no old business to discuss.

**Public Comment - None**

**Next Meeting:** September 9th, 2025 at 5:00 p.m.

**Adjourn:** Motion to adjourn by Lisa Bodi and seconded by Ed Urban.
