

Update from Your Local Power Provider – Rancho Mirage Energy Authority (RMEA)

Since May 2018, Rancho Mirage Energy Authority (RMEA) has been the default electric energy provider for the City of Rancho Mirage. **RMEA partners with Southern California Edison (SCE)** to ensure the seamless delivery of electricity to your home or business. While SCE maintains the infrastructure, handles service requests, and manages billing, RMEA procures and provides the actual energy that powers your property.

Your monthly SCE bill reflects this partnership with two distinct charges: **Delivery & Transmission** (SCE's grid maintenance) and **Generation** (RMEA's energy supply). You receive just one consolidated bill—no double billing.

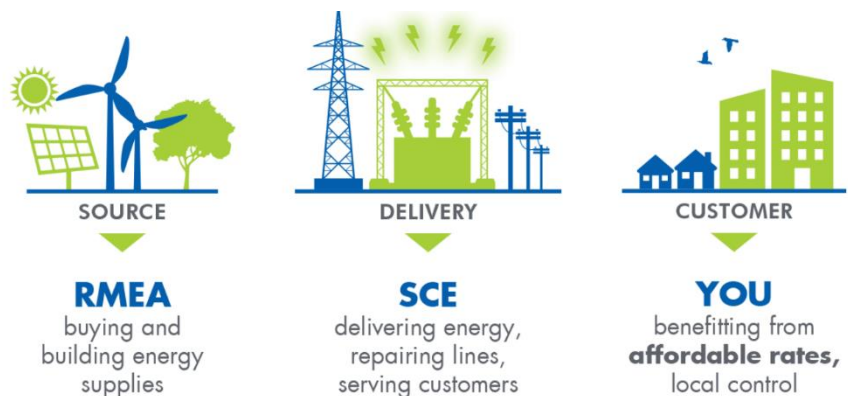

Why Stay with RMEA?

RMEA has provided **over \$3 million in direct savings** to our customers and has distributed more than **\$1 million in rebates**, helping residents save even more while contributing to reductions in greenhouse gas emissions.

RMEA remains dedicated to **promoting sustainability, reducing energy consumption, and delivering affordable power**. Our programs and rebates offer long-term financial benefits, supporting a cleaner, greener future for our community.

RMEA's Power Options for You:

- **Base Choice:** Our default, most economical cost saving plan.
- **Green Choice:** Upgrade to 100% green energy, RMEA's cleanest and greenest option.
- **Solar Choice:** Already have solar? You're automatically enrolled in our Solar Choice program. Keep enjoying the same benefits plus access to RMEA's exciting rebates and sustainability programs.

Discover RMEA's Programs & Rebates

RMEA offers a wide range of programs designed to help residents and businesses save even more. With RMEA, you can achieve significant savings. **Maintain Your SCE Benefits** Customers enrolled in CARE, FERA, Medical Baseline, and Summer Discount programs will keep their current discounts—and **save even more with RMEA**.

TERMS AND CONDITIONS

RATES: Rancho Mirage Energy Authority (RMEA) offers affordable electric generation rates, which can be reviewed at RanchoMirageEnergy.org or by calling (760) 578-6092. RMEA rates are adopted annually at a publicly noticed meeting of the Rancho Mirage City Council. However, they may be subject to additional adjustments based on SCE rate changes throughout the year. Southern California Edison (SCE) also applies authorized fees for delivering power and other services, which remain the same whether you purchase electricity from RMEA or SCE.

BILLING: RMEA customers receive a single monthly bill from SCE, which includes both RMEA's power generation charges and SCE's transmission and delivery fees. For convenience, SCE collects the entire payment and forwards the generation portion to RMEA.

ENROLLMENT: Since May 2018, RMEA has been the default electric power provider for the City of Rancho Mirage. When you started SCE service, you were automatically enrolled in RMEA's Base Choice program. You have the option to upgrade to **RMEA's Green Choice**, which offers 100% green energy at competitive rates.

CARE PROGRAM: If you are currently enrolled in the California Alternative Rates for Energy (CARE) program, you will continue to receive all CARE benefits and discounts with RMEA.

OPT OUT: You have the right to opt out of RMEA at any time. If you opt out within 60 days of enrollment, or cancel service (e.g., if you move), there are no fees. After 60 days, SCE will charge a one-time processing fee if you return to their service. By opting out, you will be subject to SCE's current rates, terms, and conditions, which you can find at sce.com.

You will be billed for any electricity used before the transfer. Transfers cannot be transferred during the middle of a billing cycle, the transfer occurs on the date your meter is read. For your request to be processed on your next meter read date, your request must be received at least 5 business days prior to the date on which the meter is read. To opt out, visit RanchoMirageEnergy.org or call (760) 578-6092 with your electric bill handy for faster processing.

FAILURE TO PAY: RMEA may transfer your account to SCE upon 14 calendar days written notice to you if you fail to pay any portion of the RMEA charges on your bill. If your service is transferred, you may be subject to additional terms and conditions by SCE.

For more information, please call (760) 578-6092 or visit our website at www.RanchoMirageEnergy.org
