* The State Clearinghouse functions as the "State Single Point of Contact" for coordinating the state-level review of environmental documents that are prepared pursuant to CEQA. As such, the comment letter from the State Clearinghouse, which includes a list of those state agencies that reviewed the Waterfront Draft EIR during the comment period, as well as includes comments received from state agencies that submitted comments, is dated and received after the comment period.

** Only comments received between January 19 after 5:30 p.m. to February 19, 2016 have been included in the Final EIR. Any comments received after February 19, 2016 (one month after the close of the public comment period) are not included in the Final EIR.
