The *General Contractor / Owner Builder* shall require all sub-contractors under their control or direction to have a current **Redondo Beach Business License** prior to permitting them to begin work. Failure to do so may result in penalties and possible delay of final building inspection. The *General Contractor / Owner Builder* shall be responsible for full license fees for any unlicensed sub-contractor.

I have read and understood the above. I further understand that this list must be submitted to the License Department fifteen (15) days prior to my request for final inspection.
