Portofino and YCW sewer pump station project updates 6/4/2024

Project Overview

This is an update on the ongoing sewer system upgrades in the Harbor area of Redondo Beach, undertaken by our contractor, Mehta Mechanical Company (MMC), Inc.

Details:
Portofino Way Station @ near the Seaside Lagoon turn-around
- Installation of a new sewer main and manhole structures along Portofino Way.
- Construction of a new pump station and utility building immediately south of the Seaside Lagoon maintenance access gate.
- Installation of a new force main along Portofino Way, tied to the Manhole at the Harbor Drive intersection.
- Abandonment of the existing outdated Portofino Way Pump station located at the northeast corner of the Seaside Lagoon maintenance access gate.

Yacht Club Way Station @ Adjacent to the old SeaLAB facility.
- Remove and replace the existing pump station with a new pump station at same footprint.

Upcoming Schedule For Portofino Way

| June 4-14 | Work on Harbor Drive / Bike path – Trenching, installing the force main, and backfilling from Portofino bike path to the Harbor Drive intersection (Phase 3 & 4 Traffic Control) |
| June 17-28 | Work on Harbor Drive – Constructing MH #3, including excavation, shoring, and backfilling (Phase 5 Traffic Control) |
| June 28-July 2 | Work on Harbor Drive / Bike path – Temporary pavement restoration. (Phase 3 & 4 Traffic Control) |
Yacht Club Way Station construction anticipated to start soon, I will provide updates soon its available

Traffic Impacts
Normal working hours on Portofino Way are from 7:00 AM to 6:00 PM, and on Harbor Drive from 9:00 AM to 3:30 PM, Monday through Friday.

- Phase 3 Traffic Control (June 4-14 and June 28-July 2):
  - Harbor Drive and Portofino Way will have one lane open in each direction.
  - Left turns will be restricted in all directions.
  - Right turns from Harbor Drive to Portofino Way towards the Seaside Lagoon and from Portofino Way to Harbor Drive south will be restricted.
  - Bike paths and pedestrian crossings will be maintained, with detours provided.

- Phase 4 Traffic Control (June 4-14 and June 28-July 2):
  - Harbor Drive and Portofino Way will have one lane open in each direction.
  - Left turns from Beryl Street to Harbor Drive south and from Harbor Drive to Portofino Way towards the Seaside Lagoon will be restricted.
  - Bike paths and pedestrian crossings will be maintained, with detours provided.

- Phase 5 Traffic Control (June 17-28):
  - Harbor Drive and Portofino Way will have one lane open in each direction.
  - Right turns from Harbor Drive to Beryl Street east towards the PCH will be restricted.
  - Bike paths and pedestrian crossings will be maintained, with detours provided.

Intermittent lane closures on Harbor Drive will occur from June 4 to July 2nd, between 9:00 AM to 3:30 PM. The contractor will maintain one through lane in each direction at all times and will maintain the safe bike and pedestrian path. Please expect traffic delays.
