

Richland Parks

July 2023

Little League:

The Gull Lake Little League recently ended another successful season with over 500 participants. A special thanks to this year's Little League board members and Little League President Kristin Brown for their organization and timely communication with the park and its staff.

A very special thank you as well to the Gull Lake Little League for their gracious donation of over \$30,000 for new fencing on field 8 and new yellow safety topping for all the field fencing at the park. These are significant improvements for the park.

Gull Lake Baseball Camp:

The Gull Lake baseball camp hosted by the Richland Township Park and ran by the Gull Lake High School baseball staff recently completed with over 60 participants.
