

## Richland Parks Monthly Report

October 2023

### **Park Bathrooms:**

The park bathrooms will be closed and winterized for the season approximately the first week of November weather permitting.

### **Little League President:**

Gull Lake Little League President Kristin Brown recently stepped down as the organizations president so that she could spend more time at her own kid's athletic events. Kristin did an excellent job the past three seasons and will be missed. Thank you for your dedication and endless volunteer hours for GLLL.
