I. STATEMENT OF PURPOSE

The Board of Trustees (the “Board”) of the Police and Fire Retirement System of the City of Detroit (“PFRS”) recognizes the importance of fulfilling its fiduciary duty (common law and statutory) to administer the PFRS prudently, which may best be accomplished through trustee education and the conduct of regular, periodic on-site due diligence examinations and meetings with its investment professionals. It is also the policy of the Board to ensure that PFRS staff members are properly trained to perform their respective duties and are, on an ongoing basis, informed of up-to-date benefit, financial, investment, and other information regarding best practices.

In furtherance of its *Education Policy* and *Due Diligence Policy*, the Board recognizes the need to reimburse Trustees and PFRS staff members for reasonable and necessary education and travel expenses incurred while participating in educational programs and conducting on-site due diligence evaluations and other business-related activities. The Board adopts this Travel and Expense Policy (the “Travel Policy”) to facilitate the appropriate reimbursement of activities pursuant to PFRS’s Education and Due Diligence Policies. This Policy shall also apply to all other PFRS business-related travel of Trustees and PFRS staff members. Because these are legitimate expenses of the PFRS, the amounts necessary to cover such expenses, as reflected in the PFRS’s annual budget (for each fiscal year), shall be charged as an administration expense (e.g., conference/education expenses) or as an investment related expense (e.g., due diligence/site visits), as appropriate.

The purpose of this Travel Policy is to encourage and facilitate the pursuit of relevant educational and business-related initiatives by Trustees, PFRS staff and as otherwise approved by the Board. The policy is designed to assist the Board and PFRS staff in meeting fiduciary duties to administer the PFRS and to ensure that expenditures incurred in the process are prudent and cost-effective. Furthermore, this Travel Policy sets forth parameters for Trustees and staff to follow when traveling on PFRS business to promote the prudent use of PFRS assets.

II. APPLICABILITY

This Travel Policy applies to all trustees of the Board of Trustees, PFRS staff members and others as approved by the Board, traveling on official PFRS business. Excepting the Approved Independent Contractors, plan professionals and independent contractors (i.e., investment consultants, auditors, actuaries, attorneys, etc.) retained by PFRS shall be responsible for their own travel costs unless otherwise provided for in their respective contracts or otherwise approved by the Board. Such approved travel at PFRS expenses shall be in accordance with this Travel Policy.

III. DEFINITIONS

For the purposes of this Travel Policy, the following words shall have the meanings respectively ascribed to them by this section:

1. **“Approved Independent Contractors”** shall mean the General Counsel, Lead Special Counsel and such other Independent Contractors approved by the Board.

2. ***“Board or Board of Trustees”*** shall mean the Board of Trustees of the Police and Fire Retirement System of the City of Detroit.
3. ***“Educational program”*** shall mean a conference, seminar, workshop, course or other substantive educational activity on any pension administration or investment subject matter.
4. ***“PFRS”*** shall mean the Police and Fire Retirement System of the City of Detroit.
5. ***“PFRS staff” or “staff”*** shall mean the Executive Director, the Assistant Executive Director, Chief Investment Officer or other staff members traveling on official PFRS business as may be approved in advance by the Board.
6. ***“In-state”*** shall mean within the state of Michigan.
7. ***“International travel”*** shall mean outside of the United States and Canada.
8. ***“Out-state”*** shall mean outside the state of Michigan, but within the United States and Canada.
9. ***“Receipt”*** shall mean a hardcopy document which lists costs and, where possible, goods or services rendered.

IV. GUIDELINES

At all times, members of the Board and staff shall conduct the official affairs of PFRS in such a manner as to minimize the cost of providing efficient guidance and education regarding the administration of the funds entrusted to the Board. The Board and staff should exercise care to avoid impropriety or even the appearance of impropriety, including the perception that a business trip has been taken for personal reasons. PFRS funds may never be used for personal benefit. If a circumstance necessitating an expenditure arises that has not been approved prior to the trip, or is not specifically covered, the traveler is to be mindful of the spirit of this Travel Policy using prudent judgment in making any decision, and should make all reasonable efforts to seek approval prior to making such expenditure. PFRS will require documentation and/or explanation from each traveler as is essential to verify their travel, and to provide adequate records of the travel for PFRS’s reference and files. It is the responsibility of the traveler to ensure that the travel expenses incurred are in compliance with this Travel Policy and the guidelines provided herein. Trustees and PFRS staff acknowledge that expenses incurred not in compliance with this Travel Policy may not be reimbursed by the PFRS.

This Travel Policy is established to provide a set of guidelines regarding travel for the PFRS. It is also designed to cover the reasonable expenses incurred while traveling on PFRS business, participating in educational programs and conducting due diligence and other prudent activities. International travel is increasingly necessary in light of today’s global economy and PFRS’s ongoing prudent investment of a substantial portion of its assets outside of the United States.

The intent of this Travel Policy and the procedures provided herein is to reimburse Trustees and PFRS staff members for the reasonable cost of necessary expenses incurred while on PFRS related business travel, over and above those that would have been incurred by the individual had the individual reported to their normal work location. Accordingly, the guidelines contained herein are intended to substantially comply with IRS regulations impacting the employee’s taxable income.

A. TRAVEL AUTHORIZATION

Reimbursement of travel and related expenses for a Trustee, or the Executive Director or other PFRS staff to attend an educational program or conduct a due diligence examination or other business for PFRS requires the prior approval of the Board, except under exigent circumstances when Board approval cannot be obtained in advance. All reimbursement of travel expenses for PFRS staff members, other than the Executive Director, to attend an educational program or to conduct due diligence visits, requires the prior approval of the Executive Director.

The Board shall review and approve of all Board travel in advance.

B. TRAVEL LIMITATIONS - ESTABLISHED BUDGET

1. General Guidelines. Each Board member and PFRS staff shall have an established Annual Education and Travel Allowance to cover the registration, travel and expenses related to participation in educational activities as set forth by the Public Employee Retirement System Investment Act, 1965 PA 314, as amended. Within the budgeted travel allowance, Board members and PFRS staff are further limited to the number of educational activities in which they can participate. Accordingly, Board members and PFRS staffs are encouraged to carefully consider their individual educational needs and to pursue educational programs that support their continued development as a prudent fiduciary.

2. Annual Education and Travel Allowance Limitation. The Board's travel allowance for participation in educational programs shall be approved annually during the Board's budget process. Each Fiscal Year, beginning July 1 through June 30, the Board will establish an Annual Education and Travel Allowance for each Board Member, the Executive Director, the Assistant Executive Director, the Chief Investment Officer and an overall budget amount for PFRS's staff. Upon adoption of this Travel Policy, the following individuals shall have an Annual Education and Travel Allowance per Fiscal Year as follows:
 - (a) Individual Board Members: \$9,375.00 (\$150,000/16);
 - (b) Executive Director: \$20,000.00;
 - (c) PFRS Assistant Executive Director: \$10,000.00;
 - (d) PFRS Chief Investment Officer: \$10,000.00;
 - (e) Deputy Chief Investment Officer: \$10,000.00;
 - (f) Staff Training: \$30,000

To the extent an individual is authorized to attend the same education conferences or seminars authorized by and benefitting both the General Retirement System of the City of Detroit and PFRS, such education costs shall be divided evenly between GRS and PFRS.

These allowances shall be reviewed on an annual basis as part of the budgeting process and may be revised by motion of the Board at any time. Board members and authorized PFRS staff may attend any approved educational programs provided all approved travel and associated costs do not exceed the individual's approved Annual Education and

Travel Allowance. Travel and attendance at educational programs must be pre-approved by the Board and any PFRS costs associated with such travel and attendance shall be applied to the individual's approved Education and Travel Allowance.

At the end of the Fiscal Year, all unused individual travel allowances will be cleared to a zero balance. There will be no carry-over credits. The budget will be administered by PFRS staff to ensure consistency during circumstances involving additions, departures, or appointments to the Board of Trustees. An individual's annual education and travel expenses shall not exceed his or her respective approved annual allowance. However, the Board may pre-authorize expenses associated with travel for an individual whose expenses are expected to exceed his or her respective annual travel allowance, if prior to travel, a cost estimate is submitted for the Board's review and the Board determines the expenses are necessary and prudent under the circumstances.

Notwithstanding the foregoing, to the extent an individual has exhausted his or her Annual Education and Travel Allowance within any Fiscal Year, the individual may request the Board pre-approve such additional educational expenses on a case-by-case basis. The Board, in its sole discretion, may authorize such additional educational expenses.

3. Due Diligence Evaluations. In accordance with the PFRS Due Diligence Policy, business travel and expenses related to the Retirement System's investments (i.e., due diligence on-site evaluations, annual meetings, client conferences, etc.) must be pre-approved by the Board or if time does not permit, the Executive Director, however are not subject to the Annual Education and Travel Allowance or Program Attendance Limitation provided above. Attendance at certain functions related to the retirement system's investments is an important exercise of fiduciary responsibility and, in keeping with the prudent trustee standard, is appropriate under the circumstances in light of the contractual investment relationship. Further, a pre-investment on-site review is typically necessary in making informed investment decisions. Travel and other expenses for these functions are occasionally provided or paid by investment advisors for all participants or potential investors. Due diligence evaluations will be appropriately allocated amongst all Trustees and shall be in accordance with the PFRS Due Diligence Policy.

4. National or State Conference Office Holders. A Trustee who serves on the Executive Board (such as MAPERS or NCPERS) or in a similar capacity for a national or state pension fund organization shall be allowed to attend meetings, and pre-conference programs which are scheduled by the organization, which attendance shall not be applied to the Program Attendance Limitation provided in Paragraph 3 above.

C. TRAVEL REQUEST AUTHORIZATION

Individuals wishing to request a travel advance must submit a "Request for Travel and Reimbursement Form" containing the following information:

Name of Board member or PFRS staff member requesting authorization:

1. Purpose of the function;
2. Vicinity and length of time of travel;
3. Estimated cost of travel
4. Amount of Advance requested, if any;

5. Signature of person requesting authorization; and
6. Signature of Executive Director or designee.

The completed "Request for Travel Advance and Reimbursement Form" should be presented as early as possible prior to the travel date so that conference lodging will still be available and that cost effective rates may be obtained.

D. TRAVEL EXPENSES

PFRS will reimburse only those expenses that have actually been incurred with the exception that the traveler may elect to be reimbursed for meal expenses based upon the Boards per diem rates. Board members and Staff are expected to exercise the same care in incurring expenses that a prudent person would exercise if traveling on personal business and spending their own funds.

Authorized expenses, as set forth below, include transportation (air, ground, and private auto), food, lodging, parking, telephone, laundry, postage, equipment rental (when necessary) and related gratuities. Expenses that are considered non-reimbursable are expenses for family members or companions, personal entertainment fees for athletic or exercise facilities, golf or tennis fees, and alcoholic beverages.

1. Registration.

The PFRS Staff will make arrangements for program registrations upon request, subject to prior Board approval. A Board member shall notify the Executive Director as soon as possible of any educational session he or she wants to attend, as early registration at a program may produce significant savings in overall expenses.

2. Covered Travel Days.

The number of covered days will include:

- i. The day prior to the beginning date of any program or pre-conference sessions;
- ii. Actual program attendance days; and
- iii. The day following a program conclusion.

Typically, travel is limited to one day before and after the event scheduled dates. However, an exception is allowed to travel earlier or later when there is a savings to PFRS in an amount which exceeds the cost of an additional night's stay plus meals and incidental expenses. In addition, an individual will be granted one day of travel for each four (4) hours of time change encountered, not to exceed two (2) days prior and two (2) days after the scheduled conference or meeting.

3. Transportation.

(i) Airfare. Trustees and PFRS staff shall be reimbursed for actual and reasonable expenses for airfare for approved travel on PFRS business. Any scheduled U.S. or recognized international air carrier may be used for domestic or international travel. First Class and Business Class travel is not eligible for reimbursement without prior approval of the PFRS Board.

The cost for airport check-in and/or the airlines checked baggage fee for one (1) suitcase or travel bag will be reimbursed with a receipt. Substantiation of airline travel shall include a copy of

the ticket or e-mail confirmation showing the cost of the air travel.

If savings can be realized on the airfare by having a Trustee or staff member extend their stay to include a Saturday night, at his or her option, said Trustee or staff member may extend his or her stay in order to realize such savings. PFRS shall reimburse the cost associated with the additional lodging and meals resulting from an extended itinerary, not to exceed the savings in airline fare.

If, at the conclusion of a business-related trip, it would be impractical for a Trustee or staff member to return home the same day and arrive home prior to 10:00 p.m. Michigan time due to the distance that must be traveled, or the unavailability of a return flight, the Trustee or staff member may lay over for one additional night and PFRS shall reimburse the costs associated with the additional lodging and meals resulting from the extended stay.

(ii) Private Vehicle. A traveler is entitled to payment of mileage when using his/her personal vehicle. However, the allowable mileage will be reimbursed in accordance with federal travel reimbursement allowances as prescribed by the Internal Revenue Service. Out-state mileage will be computed using a reliable current internet source.

When two (2) or more PFRS employees are traveling the same general route, consideration should be given to carpooling with pre-approval by the Executive Director.

(iii) Rental Vehicle. Generally, a rental car should not be allowed if the traveler is staying at the program hotel unless normal taxi or shuttle expense would exceed the rental car rate. If a major change in travel during a trip requires the use of a rental car, the traveler should obtain the lowest rental rate available for a mid-size vehicle.

PFRS will reimburse the cost for rental of a mid-size vehicle. The difference in cost for rental of a full-size vehicle will be the responsibility of the Trustee or staff member. The only exception to this is where four (4) or more Trustees or staff members travel to the same location, or if a mid-size car is not available.

(iv) Public Transportation. The cost of a cab, Uber/Lyft or shuttle service between airport and hotel and conference (if necessary) is reimbursable.

4. Lodging. Hotel reservations should be made as far in advance as possible to assure the traveler has a room in the conference hotel. Lodging expenses will be reimbursed for a room at the conference hotel or at a convenient nearby hotel if the conference hotel is full. Stay at a hotel that would give cost savings to the System will also be reimbursed. All sales, occupancy, or other taxes will also be reimbursed. A receipt from the hotel, with a zero amount due, must be presented for any reimbursement.

5. Meals. Meals will be reimbursed in accordance with the GSA.gov *per diem* rate which includes the cost for food, local taxes, and tip. Any meal provided as part of a program which are included in the registration cost, or other complimentary meal will not be reimbursed.

6. Miscellaneous. Reimbursement is authorized for all miscellaneous travel expenses which are reasonably incurred and directly related to the authorized travel. Miscellaneous expenses will be reimbursed at the per diem rate of \$15.00 per day. Miscellaneous expenses include tips, gratuities, shipping charges, etc. In the event miscellaneous expenses total more than the \$15.00 per diem rate, such expenses should be listed separately on the Travel Advance and reimbursement form and a receipt for all miscellaneous expenses which are greater than \$10.00 shall be provided. Fines and other violations incurred as a result of traffic or parking violations are the personal responsibility of the driver. No reimbursement shall be made for these expenses.

In room internet service, when used for business, will also be reimbursed, if part of the hotel receipt.

E. TRAVEL ADVANCES

Board Members and authorized PFRS staff may request a travel advance not in excess of their estimated travel expenses, lodging, registration fee and the per diem meal and miscellaneous expense reimbursement. Any difference between the travel advance and the itemized expenses shall be either (i) returned to the PFRS within thirty (30) business days of the completion of the travel (forty-five (45) business days for International travel); or (ii) reimbursed to the Trustee; as the case may be.

F. EXPENSES FOR TRAVELING COMPANIONS

Under no circumstances shall the expenses of a family member or traveling companion of a Trustee or staff member be reimbursed by PFRS.

G. TRAVEL AND LODGING CANCELLATIONS

Trustees and staff members are responsible for the timely cancellation of or change to any registration to a conference where fees may be charged and/or travel and lodging reservations are made on their behalf. Trustees and/or staff shall be responsible for the costs of any fees charged as a result of the failure to timely cancel or resulting from changes to said reservations, unless otherwise approved, on a case-by-case basis, by the Retirement Board. In the event a travel advance has been paid to a Trustee or staff member for attendance at a program or meeting, the advance must be repaid within ten (10) business days of the cancellation of attendance.

V. REPORTING REQUIREMENTS

A. EXPENSE REPORT

A Travel Expense Report must be completed by Board and staff members after incurring any business travel, transportation or other expense on behalf of the PFRS. Proper receipts and documentation of the specified travel is required to be submitted by the traveler for reimbursement. Original receipts must be submitted for all expenses including travel, lodging, meals and other expenses incidental to travel. Lodging receipts should itemize all charges. Receipts must be included for any reimbursement except for meals covered by the per diem, private vehicle mileage payments or expenses covered by the \$15.00 miscellaneous per diem. Receipts for all other expenses are required for reimbursement. When receipts are lost, a statement from the trustee/employee declaring that a good faith effort was made to produce the receipt must be submitted. The statement must be signed by the trustee/employee and approved by the Executive Director. In the event of a lost receipt, reimbursement will only be considered upon receipt of such a statement.

The Travel Expense Report and all receipts must be submitted within thirty (30) calendar days from the completion of in-state or out-state travel and forty-five (45) calendar days from the completion of International travel.

B. TRAVEL REPORTS

The Retirement Administrator shall report to the Board on a quarterly basis all travel by Trustees

and Staff and which report will include: (a) notification of any outstanding Travel Expense Reports, (b) the total travel expense per Trustee and staff member for each educational program attended, (c) a reconciliation of each individuals Annual Education and Travel Allowance account, and (d) the total travel expense per Trustee and staff member for PFRS expenses related to due diligence evaluations including annual expense meetings and client conferences.

C. CONFERENCE/SEMINAR REPORT

Trustees and staff shall provide an oral report of the educational program at the next regularly scheduled meeting of the Board or within 30 days of the Conference/Seminar. The Board shall maintain a library that will retain material related to the educational functions/events attended.

D. DUE DILIGENCE REPORT

The Trustees or PFRS staff participating in an on-site due diligence evaluation, client conference or annual meeting shall provide an oral report to the Board, summarizing their findings and recommendations, if any, at the next regular Board meeting, but in no event later than forty-five (45) days following the completion of the visit. Plan Professionals are responsible for their costs relating to providing due diligence reports unless otherwise authorized by the Board.

VI. RECORD RETENTION

All records related to travel by Board members and PFRS staff shall be retained by the PFRS for a period of seven (7) years from the date of travel or as otherwise proscribed by law, and shall be subject to disclosure under the Michigan Freedom of Information Act. No travel related records shall be destroyed or discarded prior to the seven (7) year timeframe established herein.

PFRS Board Members and Staff are encouraged, but not required, to maintain documentation of their records related to PFRS-related travel.

VII. VIOLATIONS

The willful failure of a Trustee or staff member to substantially comply with this Travel and Expense Policy will be reviewed by the Board. The Board shall suspend travel advances and travel authorization for an individual's failure to comply with the procedures herein.

VIII. POLICY REVIEW

The Board shall review this Travel Policy at least every three years to assure its efficacy and relevance. This Travel Policy may be amended from time to time by majority vote of the Board.
