All work must meet currently adopted codes and city ordinances.

Inspections must be requested for all permits.

This permit, once issued, expires by limitation 180 days from the date of issuance unless construction is commenced, and inspection approval is obtained within 180 days of issuance.

I understand that all permits require phase inspections in addition to a final inspection.

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not.
