NOTICE TO ALL PROPERTY OWNERS AND CONTRACTORS

IMPROVEMENTS MADE ON PUBLIC PROPERTY OR EASEMENTS

Any installation of a yard sprinkler system or placing of landscape materials within public property or easements will be the responsibility of the property owner to maintain, repair or replace as needed. The city will not be liable for costs incurred to private property owners who choose to make improvements on any public property or easements in the City of Saginaw. Before any landscaping or sprinkler system is allowed in public property or easements the property owner will need to return this acknowledge statement below.

Street and utility repairs may cause damage to a sprinkler system or landscaping which is located in public property or easements.

No sprinkler contractor is allowed to tie a sprinkler system into the water service until the acknowledgement below has been signed and submitted to the Inspections Department. **(Fax # 817-232-9868, P.O. Box 79070, Saginaw, Texas 76179)** We appreciate your cooperation in returning the required acknowledgement.

.....

I, hereby acknowledge that the maintenance, repair or replacement of any landscaping or sprinkler system that I have installed on the public property abutting or easement on my property is to be solely at my expense.
