Update of Current Projects: Presented by Keith Rinehart

- Art in the Community. He updated us on the Angela Stanford mural at Willow Creek Park. It is complete. He showed updated photos of the progress and gave information on how it was accomplished.
- **Business Recognition Program:** We were given a handout 'Business Beautification Award'. This program had been in place a few years ago. The committee discussed the pros and cons of the program with clarification from Keith. We voted to renew this program. Then discussed the minimum that would be required of the businesses. No set minimum was finalized. Discussion will continue at our next meeting. Also, discussed how this committee would get the word out. One venue was 'post card' size information placed into the water bill for businesses only. Keith will let us know the cost of advertising in this matter.
- **Adopt A Spot Update:** No updates.
- **Yard of the Month Program:** The committee would also like to restart this program. We are to bring ideas to our next meeting.
