PRESENTATION BY GROSSMAN ST. AMOUR ON 2025 AUDIT FINDINGS

Michael Lisson and Brianah Lane from Grossman St. Amour shared details of the audit they performed for the Town for 2025. They said the audit went very well and that there weren't any significant findings.

UPDATE FROM CODES TASK FORCE ON CONSIDERATION OF CHICKEN LEGISLATION

Councilor Paul read a letter submitted to the Town Board from the Codes Task Force Committee that outlined the reason they don't believe there should be a change to the current Code to allow chickens. Some of their concerns included potential noise and odor issues, property maintenance and enforcement challenges, the close proximity of residential properties within the Town, concerns expressed by neighbors regarding neighborhood quality of life, and the lack of a practical process of designated resource for the removal and relocation of chickens in problematic situations or cases of noncompliance.

RESIDENTS WISHING TO SPEAK

Resident Mike LaFebvre expressed concerns over drainage on Limestone Dr. and urged the Town to look into it.

Resident Ellen Mullen questioned why the Community Center calendar is mostly open and why the Wizard of Oz and Canteen rooms are vacant. She is not happy with tax payers paying for a Community Center that is barely open. She suggested holding some Town Board meetings there. She questioned why the pool at Richfield Park is closed. She also questioned where the proposed playground at the Community Center will be placed.

Resident Caitlin Winders had complaints about the noise coming from concerts at Sharkey's Event Center. She has been in contact with the Town of Clay and the Town of Salina and is hoping something can be done. She believes they are operating illegally.

Councilor Steinhardt read an email sent from resident Terry Robare speaking in opposition of putting a playground at the Community Center. The letter is on file in the Town Clerk's office.

TOWN BOARD COMMENTS

Supervisor Huerta said that he will be meeting with the Town of Dewitt tomorrow to talk about Townline Road. He said that the survey showed that the road is split down the middle between the two towns. He hopes to have the road paved and opened as soon as possible.

Councilor Downs wanted to thank everyone that helped to organize the Memorial Day parade and ceremonies.

Councilor Paul encouraged residents to attend the Brownfield Project committee meeting being held on June 2nd at 5:30pm at Town Hall to talk about an overview of progress and that they are looking for public input on what residents would like to see go in on Old Liverpool Road and Brewerton Road. She also updated residents on the Electronics pool and said that it will not be opening this year.

Councilor Steinhardt again encouraged residents to donate to the food pantry at the Salina Free Library. He also thanked everyone who attended the Memorial Day parade in the Village of Liverpool.

Councilor Driscoll informed residents that they should call the SPCA dog control number at 315-454-0928 for any dog control concerns. She reminded everyone that the Sehr Park survey is still available until June 1st. She congratulated Kathleen DiSenna for the placement of the L. Frank Baum historical marker. She also said that she hoped to have something on the next agenda regarding the Wizard of Oz museum in the Community Center. She questioned whether we still have a contract with S.J. Thomas to finish the museum space. Supervisor Huerta said that they are working on a proper agreement with our Town Attorney and our Bond Attorney for the museum. Town Engineer Jason Hoy confirmed that we do still have a contract with S.J. Thomas but that he is not sure about their obligations to the museum build. Kathleen DiSenna said that they only have until July 1 to finalize the contract or they will lose all donations they have received. Councilor Driscoll also addressed concerns over her residency. She confirmed that she is still living in Salina and plans to stay here until her term is up at the end of the year.

		\$
022.0000.0909	CAPITAL PROJECTS FUND UNRESERVED FUND BALANCE	(32,450.00)

MEMO: The Town financed the purchase of a sewer vactor truck in 2025. A little more financing was included at last year's BAN renewal to cover unanticipated costs or increases. After receiving the truck and making payment in Oct 2025, \$32,450 remained, so that leftover is being returned to pay towards the principal of the BAN.

Adjustment to Original Budget - Paydown on BAN's (Electronics Parkway & Boulevard Sewers)
