

Sharon Township

Public Summary of FOIA Procedures and Guidelines

It is the public policy of this state that all persons (except those persons incarcerated in state or local correctional facilities) are entitled to full and complete information regarding the affairs of government and the official acts of those who represent them as public officials and public employees.

The people shall be informed so that they may fully participate in the democratic process.

Consistent with the Michigan Freedom of Information Act (FOIA), Public Act 442 of 1976, the following is the Written Public Summary of Sharon Township's FOIA Procedures and Guidelines relevant to the general public.

This is only a summary of the Township's FOIA Procedures and Guidelines. For more details and information, copies of the Township's FOIA Procedures and Guidelines are available at no charge at any Township office and on the Township's website: **www.sharontownship.org**.

1. How do I submit a FOIA request to the Township?

- A request must sufficiently describe a public record so as to enable the Township to find it.
- Please include the words "FOIA" or "FOIA Request" in the request to assist the Township in providing a prompt response.
- Requests to inspect or obtain copies of public records prepared, owned, used, possessed or retained by the Township may be submitted on the Township's FOIA Request Form, in any other form of writing (letter, fax, email, etc.), or by verbal request.
 - Any verbal request will be documented by the Township on the Township's FOIA Request Form.
- No specific form to submit a written request is required. However a FOIA Request Form and other FOIA-related forms are available for your use and convenience on the Township's website at **www.sharontownship.org** and at the Township Hall
- Written requests may be delivered to the Township Hall in person or by mail: Sharon Township FOIA Coordinator, 18010 Pleasant Lake Rd, Manchester MI 48158
- Requests may be emailed to: Supervisor at **supervisor@sharontownship.org** To ensure a prompt response, email requests should contain the term "FOIA" or "FOIA Request" in the subject line.

- The Township is subsequently paid in full for all applicable prior written requests; or
- Three hundred sixty five (365) days have passed since the person made the request for which full payment was not remitted to the Township.

4. How does the Township calculate FOIA processing fees?

The Michigan FOIA statute permits the Township to charge for the following costs associated with processing a request:

- Labor costs associated with copying or duplication, which includes making paper copies, making digital copies, or transferring digital public records to non-paper physical media or through the Internet.
- Labor costs associated with searching for, locating and examining a requested public record, when failure to charge a fee will result in unreasonably high costs to the Township.
- Labor costs associated with a review of a record to separate and delete information exempt from disclosure, when failure to charge a fee will result in unreasonably high costs to the Township.
- The cost of copying or duplication, not including labor, of paper copies of public records. This may include the cost for copies of records already on the township's website if you ask for the township to make copies.
- The cost of computer discs, computer tapes or other digital or similar media when the requester asks for records in non-paper physical media. This may include the cost for copies of records already on the township's website if you ask for the township to make copies.
- The cost to mail or send a public record to a requestor.

Labor Costs

- All labor costs will be estimated and charged in 15-minute increments, with all partial time increments rounded down. If the time involved is less than 15 minutes, there will be no charge.
- Labor costs will be charged at the hourly wage of the lowest-paid Township employee capable of doing the work in the specific fee category, regardless of who actually performs work.
- Labor costs will also include a charge to cover or partially cover the cost of fringe benefits. Township may add up to 50% to the applicable labor charge amount to cover or partially cover the cost of fringe benefits, but in no case may it exceed the actual cost of fringe benefits.
- Overtime wages will not be included in labor costs unless agreed to by the requestor; overtime costs will not be used to calculate the fringe benefit cost.
- Contracted labor costs will be charged at the hourly rate of 6 times the state minimum hourly wage

A labor cost will not be charged for the search, examination, review and the deletion and separation of exempt from nonexempt information unless failure to charge a fee would result in unreasonably high costs to the Township. Costs are unreasonably high when they are excessive and beyond the normal or usual amount for those services compared to the Township's usual FOIA requests, because of the nature of the request in the particular instance. The Township must specifically identify the nature of the unreasonably high costs in writing.

Copying and Duplication

The Township must use the most economical method for making copies of public records, including using double-sided printing, if cost-saving and available.

Non-paper Copies on Physical Media

- The cost for records provided on non-paper physical media, such as computer discs, computer tapes or other digital or similar media will be at the actual and most reasonably economical cost for the non-paper media.
- This cost will be charged only if the Township has the technological capability necessary to provide the public record in the requested non-paper physical media format.

Paper Copies

- Paper copies of public records made on standard letter (8 ½ x 11) or legal (8 ½ x 14) sized paper will be made at \$.10 per sheet of paper.
- Copies for non-standard sized sheets will reflect the actual cost of reproduction.

Mailing Costs

- The cost to mail public records will use a reasonably economical and justified means.
- The Township may charge for the least expensive form of postal delivery confirmation.
- No cost will be made for expedited shipping or insurance unless you request it.

Waiver of Fees

The cost of the search for and copying of a public record may be waived or reduced if in the sole judgment of the FOIA Coordinator a waiver or reduced fee is in the public interest because it can be considered as primarily benefitting the general public. The township board may identify specific records or types of records it deems should be made available for no charge or at a reduced cost.

5. How do I qualify for an indigence discount on the fee?

The Township will discount the first \$20.00 of fees for a request if you submit an affidavit stating that you are:

- Indigent and receiving specific public assistance; or
- If not receiving public assistance, stating facts demonstrating an inability to pay because of indigence.

You are **not** eligible to receive the \$20.00 discount if you:

- Have previously received discounted copies of public records from the Township twice during the calendar year; or
- Are requesting information on behalf of other persons who are offering or providing payment to you to make the request.

An affidavit is sworn statement. See the back of the Township FOIA Request Form, which is available on the Township's website: www.twp-sharon.org.

6. May a nonprofit organization receive a discount on the fee?

A nonprofit organization advocating for developmentally disabled or mentally ill individuals that is formally designated by the state to carry out activities under subtitle C of the federal developmental disabilities assistance and bill of rights act of 2000, Public Law 106-402, and the protection and advocacy for individuals with mental illness act, Public Law 99-319, may receive a \$20.00 discount if the request meets all of the following requirements in the Act:

- Is made directly on behalf of the organization or its clients.
- Is made for a reason wholly consistent with the mission and provisions of those laws under section 931 of the mental health code, 1974 PA 258, MCL 330.1931.
- Is accompanied by documentation of its designation by the state, if requested by the public body.

6. How may I challenge the denial of a public record or an excessive fee?

Appeal of a Denial of a Public Record

If you believe that all or a portion of a public record has not been disclosed or has been improperly exempted from disclosure, you may appeal to the Township Board by filing a written appeal of the denial with the FOIA Coordinator, Supervisor Psarouthakis.

The appeal must be in writing, specifically state the word “appeal,” and identify the reason or reasons you are seeking a reversal of the denial. You may use the Township FOIA Appeal Form (To Appeal a Denial of Records), which is available on the Township’s website: www.sharontownship.org.

Within 10 business days of receiving the appeal or within 10 days of the next regularly scheduled meeting of the Board of Trustees, whichever is later, the Township will respond in writing by:

- Reversing the disclosure denial;
- Upholding the disclosure denial; or
- Reverse the disclosure denial in part and uphold the disclosure denial in part.

Whether or not you submitted an appeal of a denial to the Township Board, you may file a civil action in the Washtenaw County Circuit Court within 180 days after the Township's final determination to deny your request. If you prevail in the civil action the court will award you reasonable attorneys’ fees, costs and disbursements. If the court determines that the Township acted arbitrarily and capriciously in refusing to disclose or provide a public record, the court shall award you damages in the amount of \$1,000.

Appeal of an Excess FOIA Processing Fee

If you believe that the fee charged by the Township to process your FOIA request exceeds the amount permitted by state law, you must first appeal to the Township Board by filing a written appeal for a fee reduction with the FOIA Coordinator, Supervisor Psarouthakis.

The appeal must specifically state the word “appeal” and identify how the required fee exceeds the amount permitted. You may use the Township FOIA Appeal Form (To Appeal an Excess Fee), which is available at the Township Hall and on the Township’s website: www.sharontownship.org.

Within 10 business days after receiving the appeal or within 10 days of the next regularly scheduled meeting of the Board of Trustees, whichever is later, the Township will respond in writing by:

- Waiving the fee;
- Reducing the fee and issue a written determination indicating the specific basis that supports the remaining fee;
- Upholding the fee and issue a written determination indicating the specific basis that supports the required fee; or
- Issuing a notice detailing the reason or reasons for extending for not more than 10 business days the period during which the Township Board will respond to the written appeal.

Within 45 days after receiving notice of the Township Board’s determination of the processing fee appeal, you may commence a civil action in the Washtenaw County Circuit Court for a fee reduction. If you prevail in the civil action by receiving a reduction of 50% or more of the total fee, the court may award all or appropriate amount of reasonable attorneys’ fees, costs and disbursements. If the court determines that the Township acted arbitrarily and capriciously by charging an excessive fee, court may also award you punitive damages in the amount of \$500.
