Elected and Staff Reports and Topics Discussed:

Mark Reid, County Planner.

Discussed the upcoming requirements of House Bill 2, which mandates formal documentation and communication for permit applications, including deadlines for review and approval and emphasized the need for administrative updates, such as modifying application forms for email consent. Mr. Reid also covered ongoing subdivision projects, upcoming site visits, new permit applications, and the need to clarify the application process with the city through detailed process documentation and flowcharts to ensure smooth operations and compliance.

Eda Schunk Thompson, County Clerk.

Shared updates on reorganizing her office roles, including pulling the deputy clerk position due to shifting needs, and plans to rename and restructure the positions to better reflect current duties, which will involve salary adjustments and increased grades, all within the existing budget. Also discussed initiating a temporary archiving project to digitize board files stored in the garage, estimating it might take some time depending on the scope, with funding allocated from her current budget. Ms. Thompson emphasized the importance of these changes for efficiency and space management, and noted ongoing collaboration with the finance committee, auditors, and software providers to improve operations and training.

Heidi Smith, Public Health Nurse Manager.

Informed the Board that public health employees will be attending a mandatory GRIP conference in Billings from April 19-22, focused on human trafficking awareness and response, which is aligned with their job duties and requested written supervisory authorization for county vehicle to be used for the out-of-state trip, noting that travel and motel expenses would be reimbursed through grants, while meals would come out of the travel budget. The employees' participation is considered part of their official duties, and the approval ensures compliance with personnel policies and insurance requirements. Commissioner Arzy mentioned that the Town of Clearmont is interested in establishing a neighborhood watch program focused on elder safety and is seeking Public Health's assistance with skills training rather than health fairs. Ms. Smith expressed support for helping outline communities and noting that she has scheduled to visit Clermont next week to discuss potential training and support options during their Wednesday morning coffee gatherings at City Hall.

Motion by Commissioner Wright to approve the request to allow the Public Health to use county vehicle to travel to Billings Montana.

Vote Motion Passed Unanimously.

Robert Gill, Airport Manager.

Reported that during a bid opening for the expansion of the long-term parking lot, four bids were received, with the lowest bid of \$990,000 from Wagner Ranch Services, below the engineer's estimate of \$1.2 million and will be bringing a notice of award to the Board for Approval.

Clint Beaver, Deputy County Attorney.

Informed the Board that another round of opioid settlement funds will be arriving soon and has already registered online to opt in for disbursement, although specific details about the amount or timing are not yet available.

Cameron Duff, Administrative Director.

Mentioned that there will be a discussion on all brokerage services scheduled for tomorrow.

Board Updates:

Commissioner Arzy raised concerns about a proposal by the Northern Tribal Alliance to expand the Medicine Wheel Historic Preservation Plan from about 4,000 acres to 27,000 acres, which could significantly impact roads, military sites, outfitters, and tourism in the area, including within the county. The deadline for public comments is at the end of the month, and Commissioner Arzy suggested the county draft a response, particularly since the Forest Service is taking the proposal seriously. He recommended reaching out to the Forest Service to clarify their stance and potential impacts, possibly involving them in upcoming meetings, and noted that parts of the proposed expansion could affect areas within the county, including Dayton Gulch and the High-Country Lodge. Commissioner Wright will be out Tuesday thru the end of month. Commissioner Siddle will be out Monday and also Wednesday thru end of month. Commissioner Jennings and Commissioner Siddle will be on public pulse this Thursday.

Cameron Duff – Administrative Director.

City of Sheridan's Spring Cleanup on May 2nd, 2026, is estimated to cost about \$9,000 based on past expenses, but the county would need to allocate funds since it hasn't been budgeted for this year. Chairwoman Haswell clarified that \$5,000 was budgeted for fall 2025, but additional funding of about \$9,000 is needed for the May 2026 Spring Cleanup, which the county should budget for. Mr. Duff confirms this estimate based on past data and suggests funding options from general funds or GPET, which have sufficient balance. Chairwoman Haswell proposes approving the spring funding now and planning for fall

cleanup in the next budget cycle to support the city's efforts. Commissioner Arzy expresses concern about Clearmont's upcoming cleanup, noting their challenge in funding trash disposal and suggesting possible relief for county residents using the city dump. Mr. Duff clarified that since Clearmont is incorporated, their residents are not included, since this request only covers unincorporated county residents. Commissioner Jennings confirms that residents from Ranchester and Dayton are also excluded unless they arrange separate agreements with City of Sheridan.

Motion by Commissioner Jennings to approve \$9,000.00 from the GPET funding for Sheridan County to participate in Spring community clean up event.
Vote Motion Passed Unanimously.

Adjourn: Chairwoman Haswell adjourned the meeting at 9:54 a.m.

Staff Present:

Misti Dunkelberger, County Clerk Administrative Coordinator;

Call to order:

Chairwoman Haswell called the meeting to order at 2:00 p.m.
Pledge of Allegiance.

Salary review and discussion for Sheridan County elected officials per Wyoming Statute §18-3-107.

Kenny Custis, Human Resource Director.

Discussed various hypothetical scenarios in comparison to employee raises over the past four years, emphasizing that the examples provided are not definitive guidance but illustrative of potential increases, such as a 15% total raise equating to about \$14,500 or a flat \$15,000 increase for elected officials, which could be distributed over one or multiple years.

Koko Knudtson, County Assessor.

Does not have a strong opinion on the matter since she is new to the position but leans towards preferring that employees receive a larger raise.

Dianna Bennett, County Attorney.

Discussed the ongoing efforts to address salary issues for county attorneys and attorney staff, emphasizing that the state is gradually increasing its contributions, including a temporary measure starting in 2027-28 to help counties, with an aim for permanent

solutions. And advocated for keeping county attorney salaries aligned with circuit judges, noting the challenges in recruiting qualified attorneys due to high living costs and stagnant salaries. And shared a letter from the Legislative Services Office regarding recent legislation.

Eda Schunk Thompson, County Clerk.

During difficult times in the past, no raises were given to Elected, but if an Elected raise were to be given in the next four-year cycle, requested a single, thoughtful adjustment rather than incremental raises spread over multiple years.

Rene Botten, Clerk of District Court.

Expressed support for raises for employees and acknowledged the importance of competitive salaries for Elected, but raised concerns about financial feasibility, especially since the county's budget had to be cut last year and revenue projections are uncertain.

Dr. Robert Byrd, County Coroner.

Questioned the fairness of the current salary comparison between coroners and commissioners, emphasizing that the role of a coroner involves significant professional standards, responsibilities, and on-call hours that justify higher compensation, suggesting a fair starting point around \$70,000. Dr. Byrd advocated for moving away from simplistic salary comparisons and aligning pay with the professional demands and standards of a medical examiner's office, while also noting the importance of attracting qualified professionals given the high costs of living and specialized skills required.

Levi Dominguez, County Sheriff.

Emphasized that attracting and retaining quality staff is his top priority, advocating for wage increases to keep salaries competitive with surrounding law enforcement agencies, despite budget constraints. Discussed the importance of developing future leaders within the department and highlights concerns about staff possibly earning more than the sheriff after future employee raises, which could impact leadership development and retention. Sheriff Dominguez suggested a range of salary options, with a target of around \$106,400 for the sheriff, and provided comparative salary data from other counties to illustrate the disparities and the need for fair, competitive compensation to ensure the department's ongoing effectiveness.

Katie Araas, County Treasurer.

Salary adjustments should focus on the long-term sustainability and strength of the position, acknowledging the statutory duties and responsibilities that require diligence and competence. Ms. Araas advocated balancing any potential adjustments with budget constraints while recognizing the vital importance of county staff to daily operations and public service delivery.

Board of County Commissioners.

The Board collectively agreed that the current salaries for commissioners as part-time

Elected are reasonable, emphasizing that public service is driven by community commitment rather than financial gain, and highlighted that they did not enter their roles expecting to become wealthy and are comfortable with their compensation.

Adjourn: Chairman Haswell adjourned the meeting at 3:04 p.m.

Staff/Elected Reports.

Mark Reid, County Planner.

Discussed the rescheduling of the planning and zoning meeting to Tuesday night, March 31, 2026, to accommodate colleagues and address items like a variance and vacation. Mr. Reid also mentioned efforts to incorporate the requirements of the Fast Track Permits Act (HB002) into their process by July, focusing on paperwork and notification procedures and provided a brief overview of year-to-date permits for 2026 compared to previous years.

Eda Schunk Thompson, County Clerk.

Informed the Board about the County Clerk's three-day training for a new hand-count audit process during the week of April 6th and requested moving the AP deadline to April 6th at 5 p.m. to allow her staff time to complete necessary preparations before traveling to Casper. Cameron Duff, Administrative Director, noted that if any new items arise during that week, amendments to the agenda will be needed on Monday. Chairwoman Haswell agreed on working together to ensure coverage and proper agenda management during this important training period.

Jesse Ludikhuize, Emergency Management Coordinator.

Discussed the increasing complexity of threats due to global conflicts, domestic protests, and upcoming large-scale events, highlighting the state's push for the "see something, say something" campaign to encourage public vigilance and reporting and emphasized the importance of community involvement in safety efforts. Shares plans to develop evacuation zones modeled after Sheridan County's approach, and underscores ongoing preparations for wildfire season, urging the public to stay informed and assist in preparedness efforts by reporting suspicious activity.

Amy Long, Library Director.

Informed the Board that the Library board has officially accepted a bid for the Fulmer project, with Ben Ewing as the contractor, and that plans for the Fulmer renovation will

proceed shortly. She also noted that the Library board approved the support requested from the county Human Resources.

Board Updates:

Commissioner Jennings may be out Friday, March 27, 2026. Commissioner Arzy discussed plans for a community event in Clearmont, including a mini health fair and eye screenings in coordination with the upcoming Shop-Hop and the Lions Club. Heidi Smith, Public Health Nurse Manager shared that she visited Clearmont to assess community needs and will offer health services like blood pressure checks, vaccines, and vision screenings, also emphasizing the importance of community awareness and checking on neighbors across the county, especially in aging communities, to promote safety and well-being through informal or formal welfare checks.

Consider Award of contract for 2026 Dust Mitigation Project.

Ken Muller, County Engineer.

Reported that they have publicly advertised and opened bids for the annual dust control project, receiving only one bid consistent with previous years due to limited contractor availability. The bid reflects a 5% price increase from last year, with a total contract cost of \$446,808 for approximately 65 miles of county roads.

Motion by Commissioner Jennings to award bid for the 2026 Dust Mitigation project to Oxford Inc. of Wyoming in the amount of \$446,880.00 and authorize the Chair to sign contract documents.

Vote Motion Passed Unanimously.

Consider Resolution 26-03-037, Partial Fire Restrictions.

Chris Thomas, Fire Warden.

Discussed fire restrictions, emphasizing that partial fire restrictions will be implemented like last year, with adjustments to the dates, and highlights that open burning, including ditch and field burns, will be prohibited during these restrictions, though backyard fires are allowed under specific safety guidelines. Mr. Thomas hopes that the moisture will come and with moisture will be able to reevaluate the need for a fire ban.

Motion by Commissioner Jennings to approve and authorize the Chair to sign Resolution 26-03-037 Partial Fire Restrictions.

Vote Motion Passed Unanimously.

Consider Letter of Engagement with Jones Simkins for Audit Services.

Cameron Duff, Administrative Director.

The annual engagement letter with auditors has been updated to reflect a fee cap of \$70,500, assuming two potential single audits for the Airport and Library, with the possibility of exceeding that amount if the Library's \$1.7 million grant incurs significant expenditures. Commissioner Jennings confirmed that the fee will be adjusted to \$75,000, and Mr. Duff noted that the actual costs will depend on the audits' scope.

Motion by Commissioner Jennings to approve and authorize the Chair to sign the Letter of Engagement with Jones Simkins for auditing services.

Vote Motion Passed Unanimously.

PROPERTY TAX DEFERRAL PROGRAM
SHERIDAN COUNTY, WYOMING

SECTION 1. Authority. These rules are adopted pursuant to W.S. 16-3-103(a)(i) and the authority provided under W.S. 39-13-107 et seq.

SECTION 2. Purpose. These rules are intended to clarify portions of Wyoming Statutes by establishing uniform procedures and reasonable standards for the administration of the Sheridan County Property Tax Deferral Program ("Program"), providing for deferral of tax collection for qualified taxpayers.

SECTION 3. Definitions.

(A) "Claimant" means a person who elects to defer payment of real property taxes accrued on the claimant's primary residence by filing an application to defer as provided by this Program. When two or more individuals of a household file an application to defer, they shall determine between them as to who the claimant shall be.

(B) "Fair Market Value" means the amount in cash, or terms reasonably equivalent to cash, a well-informed buyer is justified in paying for property and a well-informed seller is justified in accepting, assuming neither party to the transaction is acting under undue compulsion, and assuming the property has been offered in the open market for a reasonable time, except fair market value of agricultural land shall be determined as provided by W.S. 39-13-103 (b)(x) and fair market value of mines and mining claims and property of pipeline companies, electric utilities, railroad companies, rail car companies, telecommunications companies, cable or satellite television companies, other public utilities, leased property consisting of warehouses, storage facilities and office structures and any other property that is in support of or which is used or held for use for the activities listed, shall be determined as provided by W.S. 39-13-102(m)(i) through (ix).

(C) "Household" means all persons who occupy a residence, whether they are related or not; provided the household shall not include any person who lives in the residence to provide physical care as the only alternative to a household member permanently residing in a hospital, nursing home, convalescent home or similar facility.

(D) "Income" means total cash receipts before taxes and other deductions from all sources earned or received by the household, including but not limited to wages and salaries, regular payments from social security, retirement, unemployment compensation, workers' compensation, veterans' payments, public assistance, private and public pensions, insurance or annuity payments, dividends, interest, rents, royalties, and periodic receipts from estates or trusts.

(E) "Residence" means a primary residence located on a parcel of land which consists of not more than forty (40) acres. This term shall also mean a mobile home which has substantially lost its identity as a mobile unit by virtue of being fixed in location upon land owned or leased by the owner of the mobile home and placed on a foundation (posts or blocks) with fixed pipe connections for sewer, water or other utilities. If the mobile unit is not fixed in location, the term "residence" may only include the land on which the mobile unit is located, if such land is owned or rented by the claimant. The term shall not include property leased for consideration to someone other than the claimant.

(F) "Limited income" means a household income not exceeding a maximum gross monthly household income at or below two-hundred-fifty percent (250%) of the federal poverty level for a household of four (4) as adjusted annually by the comparative cost of living index for Sheridan County as determined by the Division of Economic Analysis, Department of Administration and Information. Such monthly income shall be documented for no less than ten (10), nor more than twelve (12), months preceding the month of application. Gross monthly household income shall be computed by dividing the total income by the number of months of income information provided.

SECTION 4. Application, Affidavit, Qualifications. The application for deferral of property tax collection shall be on a form approved by the Sheridan County Commissioners, which shall be available from the County Assessor's Office, and include:

- (A) The name and address of the claimant.
- (B) The name(s) and address(es) of all owners of the primary residence for which deferral is sought, if different from the claimant.
- (C) A list of all members of the household.
- (D) The name(s) and address(es) of all mortgagors or purchase contract holders, if any, of the primary residence for which deferral is sought.
- (E) An estimate of the current market value.
- (F) An affidavit setting forth information on the property subject to deferral and the claimant, as follows:
 - (1) The property subject to deferral of property tax collection qualifies for this Program if it meets all of the following criteria:

- (a) Is the primary residence of the claimant. To be considered a primary residence, a claimant must live in the residence at least ten (10) months of the year for which application is made. Absence from the residence due to vacation, confinement to a hospital, or other similar temporary situation is not to be deducted from the ten month requirement.
 - (b) Is owned by the claimant either in fee simple absolute or in equity (i.e., subject to a trust deed or purchase contract); or rented by the claimant under the terms of a rental contract requiring payment of taxes by the renter.
 - (c) Is subject to taxes which have increased over the previous year.
- (2) An owner is qualified if he/she meets one of the following sets of criteria:
- (a) Has signed an affidavit (application) adequately demonstrating limited income as defined;
 - (b) Is over the age of 62 years as of the application date of the year claimed (A residence jointly held by a husband and wife may qualify if either spouse is over the age of 62 years.);
 - (c) Is a person with a disability, as certified by the Social Security Administration (A residence jointly held by a husband and wife may qualify if either spouse is disabled.); or
 - (d) The property was purchased at least ten (10) years prior to the beginning of the tax year for which the property owner is applying for deferral of taxes.
- (3) Required information and documentation.
- (a) Has paid all property taxes not previously deferred.
 - (b) Has fire and casualty insurance in a sufficient amount to protect the interest of the State and County. If insurance is not in force, the amount deferred shall not exceed one hundred percent of the claimant's fair market value for the land only.
 - (c) Any other information or documentation requested by the County as evidence of eligibility.

SECTION 5. Filing Requirements.

(A) Application for deferral of current year property tax collection shall be submitted to the Board of County Commissioners on or before November 10 of the year taxes are levied. The application shall be complete and contain all information listed in Section 4.

(B) If the Claimant has previously qualified for a deferral under this Program:

- (1) The claimant need not show real property taxes have increased in comparison with taxes from the previous year; provided, to remain qualified, property taxes shall not have decreased below those levied prior to the first year of qualification.
- (2) The first election to defer shall include proof of the claimant's age acceptable to the County Assessor and additional proof of age shall not be required; and
- (3) For handicapped claimants, the first election to defer shall have attached thereto a certification by the Social Security Administration, and additional proof of continued handicapped status shall not be required unless it is apparent the claimant's physical condition has improved.

(C) In order to obtain continued approval of previously deferred property taxes, an affidavit shall be filed each year on or before November 10, demonstrating that:

- (1) The claimant's primary residence has not changed; and
- (2) The claimant has not experienced any significant change in financial status from the prior year; and
- (3) The claimant has paid all property taxes not previously deferred; and
- (4) The fair market value of the residence has not been reduced during the intervening year.

(D) The County Treasurer may enclose a deferral form reminder with the tax bill. The claimant, however, must apply without regard to whether the reminder is received.

SECTION 6. Signatures.

(A) In addition to the claimant, the application and affidavit to defer property tax collection shall be signed by:

- (1) The spouse, if the deferral of taxes sought is on a primary residence owned in joint tenancy or tenancy by the entirety, or on a rental residence in which both claimant and spouse reside.
- (2) The authorized agent of the mortgagor, or owner of the purchase contract, if the deferral of taxes is sought on property subject to a mortgage or purchase contract on the property.
- (3) The owner of the property, or the owner's authorized agent, if the deferral of taxes is sought on rental property.

(B) All signatures on the affidavit shall be executed before a notary public, or the County Assessor or Deputy Assessor.

(C) The representatives of claimants unable to act on their own behalf shall submit with the application a notarized power of attorney, or other documentation establishing legal representation.

SECTION 7. Claim Limits.

(A) The amount of current year taxes deferred shall not exceed half of the real estate ad valorem taxes levied.

(B) The cumulative amount of all taxes deferred, including interest, shall not exceed the estimate of fair market value established by the County Assessor, less any amount owed a mortgagor or other lien holder, and less any amount of taxes and interest deferred.

(C) The cumulative amount of all taxes deferred, including interest, shall not exceed half the assessed valuation of the property without a finding by the Board of County Commissioners that extreme hardship would prevail if the deferral were not granted.

(D) A claimant may obtain a deferral on only one residence.

SECTION 8. Decision by the County and Certificate of Deferral.

(A) The Board of County Commissioners shall review each application and affidavit for deferral and may disapprove the application if:

- (1) The application is not timely filed;
- (2) The application or affidavit is not complete;
- (3) The claimant does not qualify for deferral of taxes; or
- (4) By virtue of prior applications filed and approved, the County lacks available estimated general fund revenue to comply with W.S. 39-13-107.

(B) If deferral of taxes is approved, the Board of County Commissioners shall issue a certificate of deferral to each qualifying claimant. Copies of the certificate shall be sent to the offices of the County Assessor, the County Treasurer, and the County Clerk. The County Clerk shall record (free of charge) all certificates of deferral; provided failure to follow such procedure shall not invalidate the status of the deferred tax or any subsequent collection proceedings.

SECTION 9. Taxes and Interest, Lien, When Due and Payable.

- (A) Taxes deferred by the County shall accumulate interest compounded annually at a rate set forth by W.S. 39-13-107(b)(iii)(D).
- (B) Pursuant to W.S. 39-13-108(d)(i), accumulated taxes and interest on property shall constitute a perpetual lien thereon against all persons, excluding the United States and the State of Wyoming, with priority over any other liens, until the taxes and interest are paid.
- (C) Annually, on or before May 21, the County Treasurer shall certify any taxes remaining unpaid by reason of deferral onto a deferred tax list. The County Treasurer shall stamp upon each line of the deferred tax list "Deferred May __, 20__". Failure to follow such procedure shall not invalidate the status of the deferred taxes or any subsequent collection proceedings. The deferred tax list shall be made available for public inspection. All un-deferred taxes must be paid before Sheridan County will defer the portion for which application is being made.
- (E) The property shall not be subject to tax sale during the period of deferment if the un-deferred portion is paid as required.
- (F) All or a portion of any deferred taxes and interest may be paid at any time without prepayment penalty and without affecting deferral status.
- (G) Taxes deferred shall be due and payable upon declaration by the Board of County Commissioners if:
- (1) The taxpayer's financial status has significantly changed;
 - (2) The total deferred taxes exceed one-half (1/2) of the assessed valuation of the property as shown on the most recent assessment, and the claimant does not qualify for deferral based on extreme hardship;
 - (3) The property is abandoned;
 - (4) The affidavit to remain qualified, as required by Section 5(C), has not been filed;
 - (5) The claimant ceases to permanently reside in the residence upon which the deferral has been granted;
 - (6) The claimant is deceased, provided the surviving spouse does not elect to continue the deferral under Section 10;
 - (7) The property has been sold or transferred; or
 - (8) The county is unable to comply with W.S. 39-13-107.

(H) All deferred taxes plus interest shall be paid within one year in case of death, or within ninety (90) days for other causes. Failure to make timely payment shall cause the taxes to be declared delinquent, subject to interest and collection procedures authorized by law for delinquent taxes. Upon full payment, the Board of County Commissioners shall execute a release of deferral. Copies of the release shall be sent to the offices of the County Assessor, the County Treasurer, and the County Clerk. The County Clerk shall record (free of charge) all releases of deferral and make reference of such release in the same manner as in releasing a mortgage.

SECTION 10. Death of Claimant, Surviving Spouse. If the property was owned in joint tenancy or tenancy by the entireties, upon the death of the claimant, the surviving spouse may elect to continue the deferral if the spouse qualifies as a claimant under this Program.

SECTION 11. Right to Review. Any person aggrieved or adversely affected by a final action of the Board of County Commissioners is entitled to judicial review pursuant to W.S. 16-3-114.
