Suburban Serenity
with Urban Proximity

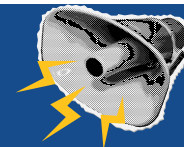

Hempt Road Roundabout

Hempt Road was closed in early February for the installation of a water line along Hempt Road and the construction of a roundabout at Fry Drive. Closure will begin at Roaring Fork and conclude at the 4-way stop at State/Texaco/Hempt.

Access to Costco will remain available via Lexus Lane, Hempt Road and Roaring Fork. Currently, the closure is anticipated to conclude at the end of June.

IMPORTANT ANNOUNCEMENT

New Tax Collector for Silver Spring Township

At the May 13, 2026, Board of Supervisors meeting, the board accepted the resignation of Robert Seader as Tax Collector. We are pleased to announce the appointment of Debra Wiest as the new Tax Collector, effective immediately and continuing through December 31, 2026. Thank you for your understanding and cooperation during this transition. Please visit the Township website for more information.

Important Changes Moving Forward:

Tax Payments:

Please make all tax payments out to "Silver Spring Township Tax Collector."

Mailing Address:

Silver Spring Township Tax Collector
8 Flowers Drive, Suite 2
Mechanicsburg, PA 17050

PUBLIC WORKS

Traffic Signal Upgrades

The Township was awarded \$1.4 Million through the Green Light Go Program. This grant is being used for the removal of the remaining current Rhythm Detection System from the traffic signals along the Route 114 corridor from Mulberry Drive to Wertzville Road. These improvements will include the use of new Miovision cameras. These camera upgrades will enable the traffic signals to "talk" to each other and help in reducing congestion along this very important signalized corridor. These improvements will also allow The Township, our Signal Contractor and PennDOT to access the network, allowing issues to be resolved in a timely fashion and to assist in

reducing congestion and allow our traffic signal provider to address issues immediately and not have to rely on a third party.

- The Route 114 corridor including Silver Spring/Woods Dr and State/Trindle/Sinclair work is anticipated to start Summer 2026.
- The remaining traffic signals along the Route 11 corridor from Commerce Drive to Kost Road, will take place Spring 2027.

With this new detection, please keep in mind there is a "detection zone" at each leg of every intersection, you must stay within this zone in order for the Traffic Signal Detection to be able to recognize a vehicle waiting. An example of what a "detection zone" would look like, is shown to the left.

If you pull past the stop bar or out of the detection zone, in most cases, you will not get a green light.

Reporting Street Lights Out

To report street light outage: Call PPL at: 1-800-DIAL-PPL (1-800-342-5775) Be prepared to give the following information:

- Location of streetlight (street and nearest intersection)
- Numbers on the pole. These numbers are on metal strips on the pole itself.

Sewer Authority – Paving Project Status Update

- Contractor mobilized mid-May.
- Project expected to last for 3 months, until approximately mid-August.
- Contractor will be placing sign boards and door hangers announcing specific project details.
- At this time, no road closures are expected, however, there will be flaggers managing single lane traffic.
- For a full list of roads within this project, please visit the Township website > Departments > Public Works > Projects

May 2021

National Night Out

Will be held Tuesday, August 4th from 6-8 pm at Stony Ridge Park (50 Bernheisel Road).

Come join all of Silver Spring Township's First Responders for a hands-on fun night including such events as: Child ID cards, Bike Rodeo, Fire Department Smoke House Vision Testing, Demos, and more!

Free burgers, hot dogs, and water provided.

Soliciting

Anyone going door to door selling goods or services in Silver Spring Twp must have a township-issued photo ID card. Soliciting may only be done Monday through Saturday, between 9 am and 5 pm. If they do not have a valid permit or are not in the approved time frame, please call PD via 911 so that we may investigate the matter immediately. One form of criminal activity is a "distraction burglary" where one person talks to you (especially if you're outside) while another goes through your home stealing money and valuables. Again, please never hesitate to call us to look into a situation.

Having trouble paying your bill?

Maybe we can help.

Scan the QR code to learn more.

PARKS & RECREATION

Paul Walters Park

Phase 2 is underway. This Phase includes Site Amenities, which will include walking paths, recreation courts, pavilions, parking, landscaping, and the conversion of the storm water basin. The athletic courts will not have lights installed at this time. During this Phase, the playground will be closed. To see drone footage of the project progression, visit the Township website (Dept – Public Works – Paul Walters Park).

Phase 3: Restroom/Concession Facility remains in the planning stage as we work to determine final design and identify funding sources.

The dog park is shown on the illustration plan; however, no design work or funding has been secured at this time.

This work is scheduled to be completed Fall 2026.

BUS TRIPS

REGISTER FOR BUS TRIPS AT
<https://silverspringrec.recdesk.com/Community/Home>

**Bus trips depart from the Sam's Club in Mechanicsburg*

Discover Baltimore Inner Harbor | Thurs, July 9th..... \$60 Per Person

Spend the day "on your own" exploring Baltimore's iconic Inner Harbor, a vibrant waterfront destination filled with history, science, and marine life. Visit the renowned Maryland Science Center, home to a planetarium and observatory, or dive into the wonders of the National Aquarium, where you'll encounter giant sea turtles, dolphins, and electric eels. Take in breathtaking panoramic views from the Top of the World Observation Level and explore the historic warships docked along the harbor. Whether you're soaking in the sights or enjoying a relaxing stroll by the water, this day is yours to enjoy at your leisure. Trip Includes: Round-trip transportation

Cape May Day On Your Own | Sat, August 8th..... \$99 Per Person

Cape May is a seaside town at the tip of southern New Jersey. It's known for grand Victorian houses such as the Emlen Physick Estate, which is now a museum with a preserved interior from the Victorian era. Shops and restaurants line the Washington Street Mall, 3 pedestrianized blocks of Washington Street. The Cape May Lighthouse provides views across the Delaware Bay and Atlantic Ocean. The day is yours to explore. Includes: Round-trip transportation

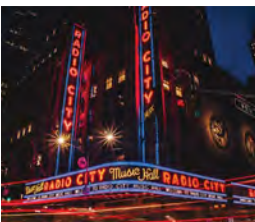

Fall Into The Curve | Thurs, October 8th \$189 Per Person

Enjoy a beautiful autumn train ride as you make your way to Altoona! Here you will visit Blair Candy Company, family owned and operated for over 75 years! Experience Horseshoe Curve—the view from this overlook is breathtaking! Have lunch before visiting Wall the Heals, a ½ scale exact replica of the Vietnam Veterans Memorial in Washington, D.C. containing over 50,000 names etched into reflective black panels. Your next stop will be the Railroaders' Memorial Museum. This museum is dedicated to revealing, interpreting, commemorating and celebrating the significant contributions railroaders and their families made to American life and industry. Enjoy a stop at Oak Spring Winery for a tasting before departing for home. Trip Includes: Transportation, Train, Guide Service, Admissions, Lunch, Wine Tasting, Meal Gratuity and Taxes.

Longwood Gardens | Tues, December 15th \$169 Per Person

Begin with a tour through Winterthur, known for a magnificent collection of American decorative arts on display through Henry Francis du Pont's former home and showcased in permanent and rotating gallery spaces. Explore the famous 60-acre naturalistic garden, carefully designed by du Pont, and the estate's 1,000 acres of rolling hills, meadows, and woodlands. Next is one of our favorite holiday visits, Longwood Gardens, also created with the help of du Pont. Christmas here is magical with hundreds of thousands of lights that will have you delighting at every turn. Trip Includes: Transportation, Winterthur, Boxed Lunch, Longwood Gardens, \$25 dinner voucher

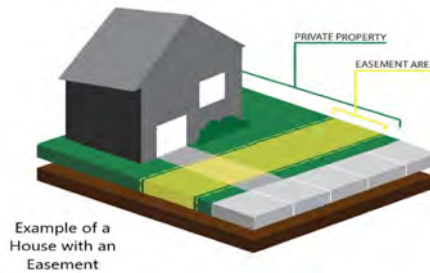

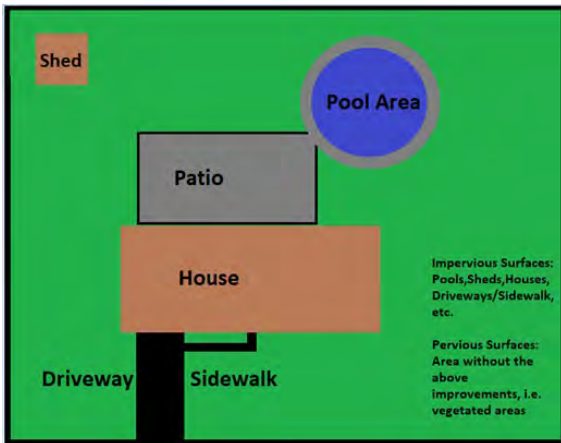

Radio City Music Hall | Wed, December 16th \$189 Per Person

Get into the Christmas spirit! Travel to New York City to see the renowned Radio City Music Hall Christmas Spectacular. Upon arriving in New York City participants will head straight to the show! Afterwards, have time to explore the city, have lunch and/or do some Christmas shopping before heading home. Trip Includes: Transportation, Show Ticket and Escort

COMMUNITY DEVELOPMENT

Do You Have Questions On Impervious Coverage?

All lots have a maximum impervious coverage limit to meet environmental and planning regulations. Impervious coverage includes anything that impedes stormwater from infiltrating into the ground, such as houses, a shed, a patio, sidewalks, and driveways. Residents should always check with the Township before starting a project or purchasing a property to verify current impervious coverage.

BUILDING DEPARTMENT

Rental Unit Registration and Occupant Reporting

Silver Spring Township Ordinance Number 95-3 requires lessors/landlords to report on the status of occupancy for their parcels, or units of real estate which they rent or have available for rental.

There is no fee to register and report rental units and occupants.

Additionally, lessors/landlords are required to report to the Township any changes of occupancy/tenant changes within ten (10) days after such change.

The rental unit registration and occupant reporting form

can be located on the Silver Spring Township website, www.sstwp.org. Click Maps/Forms on the top menu and then select "Township Forms."

Completed rental unit registration and occupant reporting forms should be emailed to: rentalregistration@sstwp.org.

If you have any further questions regarding rental unit registration and occupant reporting, please contact Ashley Hill at 717-766-0178 ex. 3503, or at ahill@sstwp.org.

Incision-Free Relief for Tremors. **Close to Home.**

Penn State Health is the only health system in central Pennsylvania offering advanced focused ultrasound treatment.

At Penn State Health, our fellowship-trained neurosurgeons use Magnetic Resonance-Guided Focused Ultrasound to precisely target the part of the brain responsible for tremor — delivering relief without incisions, implants or extended recovery time.

As the only health system in Central PA offering this advanced, noninvasive treatment, Penn State Health provides a new option for people with essential tremor or Parkinson's disease who haven't found relief with medication. Most patients return home the same day and resume normal activities within days — with many noticing improvement during the treatment itself.

Schedule a consultation with our Neurosurgery team to see if Focused Ultrasound is right for you. Call 717-531-3828, option 2.

pennstatehealth.org/focused-ultrasound

PennState Health

CODE ENFORCEMENT

Grilling Safety

More than a quarter of home fires are caused by outdoor grills. Grills should be used at least 10 feet away from your home. This means that you should NOT be grilling in a garage or under any kind of awning. The flame of the grill can easily flare upwards when fat from cooking meat drips down. Using one inside a garage increases the chances of igniting flammable materials, such as gasoline, oils, or other items stored there.

Using a grill inside a garage can lead to dangerous levels of Carbon Monoxide gas. Always make sure you are grilling in an open, well ventilated area.

Fireworks Safety

Some people like fireworks, some people do not. Fireworks are a class of low explosive pyrotechnic devices used for aesthetic and entertainment purposes. Since 2017, Pennsylvania has allowed consumers, age 18 and above, to purchase aerial Class-C "consumer grade" fireworks for personal use. We ask that everyone be mindful of neighbors and the community when using and celebrating special occasions with fireworks.

The use of Class-C fireworks does have restrictions:

- They cannot be discharged within 150 feet of a structure, whether or not a person is present.
- They cannot be ignited or discharged on public or private property without express permission from the property owner.
- They cannot be discharged from or within a motor vehicle or building.
- They cannot be discharged TOWARDS a motor vehicle or building.
- They cannot be discharged while the person is under the influence of drugs and alcohol.
- Fireworks are prohibited on all Township properties (including parks, basins, etc).

Township Ordinance 2014-02 regulates noise activities in the community between 10pm and 6am.

To cite the use of illegal fireworks, Police must be timely notified, via 911, so the officer arrives on the scene while the fireworks are still being set off.

Stay safe while using fireworks:

- Be aware of weather conditions. Wind or dry spells can make fireworks more dangerous.
- Know the rules to make sure you are not violating any federal, state, or local ordinances.
- Keep a source of water nearby (bucket or garden hose) in case of fire.
- Never try to fix a malfunctioning firework. Relighting or handling them can cause injury.

Taking care of each other
is what community is all about.

We're proud to serve our community
with personal, compassionate care.

- Silver Spring Township Authority bills for public sewer. Always reference your account number (located on your white bill from Silver Spring Authority) and send it to the correct address - 5 Willow Mill Park Road, Suite 3, Mechanicsburg PA 17050.

Commercial Recycling Information:

Commercial businesses in Silver Spring Township are required under Ordinance 2015-01 to recycle the following items:

- Newspapers
- Office Paper
- Cardboard
- Magazines
- Mixed Paper
- HDPE Plastic
- Other Plastics #1-7
- Aluminum Cans, Steel Cans
- Used Motor Oil
- Glass (clear, green, brown)
- Grass Clippings
- Leaf Waste

All commercial, industrial, and institutional establishments are required, under State and Township regulations, to establish a collection system for recycled materials. The materials that must be collected are high-grade office paper, corrugated paper and aluminum. All haulers and recyclers operating in the Township are required to provide to the Cumberland County Recycling and Waste Authority a quarterly recycling report on the specific form provided by the County.

Please note that the burning of recyclables is strictly prohibited.

Silver Spring Township

SUBURBAN SERENITY WITH URBAN PROXIMITY

DIRECT WITHDRAWAL AGREEMENT FORM

I/we hereby authorize Silver Spring Township to initiate automatic (ACH) monthly or quarterly withdrawals for my/our storm water / trash & recycling payments for the property that I/we own and to be charged from my/our account at the financial institution named below on the due date listed on the quarterly billing.

Further, I/we agree not to hold Silver Spring Township responsible for any delay of payment due to incorrect or incomplete information supplied by me/us or by my/our financial institution or due to an error on the part of my/our financial institution in withdrawing funds from my/our account.

There is a \$25.00 charge for all returns due to non-sufficient funds (NSF) or closure of bank accounts.

This agreement will remain in effect until Silver Spring Township receives written notice of cancellation from me/us or my/our financial institution or until I/we submit a new direct withdrawal form to the Township office.

TOWNSHIP NEWS & ANNOUNCEMENTS

Township Office Hours

The Township office hours are Monday through Friday from 8 a.m. - 4 p.m. If voicemail is left after business hours, it will not be checked until the next business day.

Please do not leave a voicemail if the nature of your call is an emergency, such as down wires, trees down in the roadway, stop sign down, etc. Please call 911.

To report a problem or concern to the Township, go to

the website at www.sstwp.org and click on the "Report a Concern" icon to complete a simple form. If you include your e-mail and/or phone number, this will allow staff to provide a response to the inquiry. We welcome resident feedback and concerns for the overall well-being of the community and look to continue improvement of the Township. **The inquiries are not checked outside of business hours, please report all emergencies to 911.**

911 Address Signs

Valuable time can be lost if your house number is not clearly posted where emergency responders can see it. This means Police, Fire and EMS responders cannot provide lifesaving services to you and your family if they cannot find your house. The Emergency Management Agency recommends the use of standard-issue reflective address markers. These signs provide a consistent, easily read address for emergency responders and can save lives by saving time to identify an incident location.

"Do I really need one of these signs?"

Ask yourself these questions: 1. Can your house be found easily by a passing car? 2. Can it be found quickly in an emergency when seconds count? It is recommended that you drive or walk up and down your street. Place yourself in the position of an emergency responder to determine whether your house number is visible during the day or night, in a life-or-death situation.

"Where should these signs be placed?"

Address signs should be mounted to the mailbox or next to your driveway. DO NOT mount on Township or State signposts. The Township does not supply the hardware or provide installation.

"How do I get an address sign?"

911 Address Signs are available at the Township office at a cost of \$25.00. If you are interested or have questions, please contact sstinfo@sstwp.org or by calling (717) 766-0178 x3009.

UNEARTH A STORY™

2nd Saturday of month 8 am – 12 pm
4th Saturday of month 8 am – 12 pm

Where:

Cumberland County Recycling Center
Claremont Road, Carlisle, PA

Joint Compost Facility Reminders

The Joint Compost Facility is located at 842 W Church Rd, Mechanicsburg, PA 17055, which is adjacent to the Wastewater Treatment Plant. This site is under 24-hour recorded video surveillance, if any of the items listed below on the "Not Permitted" list are dropped off, we could revoke your Joint Compost privileges.

Rules For Use

- The facility is for leaves, brush, shrubs and shrubby clippings
- Christmas trees are accepted (tinsel, ornaments and base must be removed)
- Tree Trimmings must be smaller than 14 inches in diameter and no longer than 6 feet in length
- Use of the site is at your own risk. Due to the possibility of numerous residents entering and exiting the site simultaneously, there is a need to exhibit extra caution and care when utilizing the facility.
- No skateboarding, rollerblading, bicycling or similar activities permitted.
- **The facility is protected by 24-hour recorded video surveillance.**
- Anyone found in violation of the following rules shall be subject to applicable fines and/or penalties as the law allows.
- Other rules and regulations may be posted at the facility.

Not Permitted

- Grass clippings, pine needles, ornamental grass,

garbage, sod/dirt, stones, ashes, bricks/concrete and/or garden waste

• BAMBOO IS NOT PERMITTED

- Treated lumber, landscaping timber, cross ties, painted wood, wooden furniture and/or commercially chipped wood
- Construction & demolition debris
- Trash, household hazardous waste, medical waste, bulky items (appliances, furniture), tires and/or scrap metal
- Branches must be less than 14 inches in diameter
- Tree stumps are not permitted
- **NO BAGS OR CONTAINERS ARE TO BE LEFT AT THE SITE**

The yard waste recycling equipment is designed to process leaves and natural woody yard waste into compost and mulch. The equipment requires all the input material to be well suited for processing. A sizeable piece of metal, rock, concrete or other contaminant not suited for processing in this type of machinery must be kept out of the other material that is being fed in.

Some of the unacceptable items are pictured below.

Guidelines for Residents on Storm Drains, Basins, and No-Littering Rules

Residents should never throw trash, chemicals, or debris into storm drains, basins, or any drainage system — it flows directly into local rivers, lakes, and streams, harming water quality and wildlife.

Bottom line: Always keep storm drains and basins free of litter and pollutants. If you see trash in a storm drain, pick it up or report it to local authorities. Your actions help protect water quality and prevent flooding.
