Is Mayor Behr there?
When are they gonna plow my street?
Is Mayor Behr there?
We're thinking the pool needs a bit more heat.
And Dorset needs some speed bumps,
And Essex needs a light.
And would you please consider hiring
A police officer at night?

Is Mayor Behr there?
There's a tree down in my yard.
Is Mayor Behr there?
I seem to have lost my tennis card.
The dog next door is barking.
He starts it off at dawn,
And all throughout the day, that dog
Goes on and on and on.

Is Mayor Behr there?
My neighbor's garden is a mess.
Is Mayor Behr there?
Could he make a July 4th address?
Some kids jumped over the pool gate.
The chairs are in the pool.
The clock is smashed.
There's lots of glass.
I guess they think it's cool.

I need a permit to expand.
The room we're building,
Is a little bigger than we planned.
The job is almost finished.
I forgot to ask before.
It should be fine.
The street is nine full
Inches from the door!
