Sandesh Risal—American Pools

1. Approved the June Minutes
2. Update from American Pools—*all good, nothing specific to report. Barbara brought up that some of the wood on the perimeter fence is rotten. We also discussed again the three spaces adjacent to the walking path. Barbara brought up that there are wood chips piled in two spaces that should be removed. Debbie H. will address this with Matt T. as well as the state of the wooden bridge.*
3. Update on Stroke & Technique Pilot—*going great, though not everyone signing up through MemberSplash*
4. Update on Morning Swim—*all good but need to have a better sense of who has paid and who has not. Will want to rethink the lanes for next year.*
5. Update on Pool Wi-Fi—*new equipment ordered and will be installed as soon as it arrives.*
6. Update on Vending Machines @ the Pool —*still exploring*
7. Town Olympics—*They were PHENOMENAL! Russell agreed to do it again next year. Walt cannot be as involved next year but will help as he can.*
8. Late Night Swims/Food Trucks—August 26<sup>th</sup> —*may be more. Stay tuned.*
9. Update on New Member Party —*against our recommendations they went with Sunday, September 10<sup>th</sup>. We have flagged that this is the last day the pool is open. Thus, if the renovations begin early it will have to be at Town Hall. Additionally, it will need to be in the morning/early afternoon as the Dog Swim has already been scheduled for the late afternoon and the pool closes early that day.*
10. Update on Games at the pool—*a new set of Dry Dek squares has been ordered to set up Four Square and the Council approved allowing the Foosball table from Dario Fuentes and Kirsten Darling to be relocated to the pool.*
11. Pictures as part of MemberSplash account—*unanimously passed a motion recommending that next year we require pictures be linked to residents' accounts.*
12. Do Not Enter sign for bridge—*hopefully soon*
13. Next meeting—*need to change the date*
