PRESERVING, PROTECTING PROMOTING AND PUBLISHING OUR LOCAL HISTORIES

We are happy to announce that we now have a website.  
Please visit us at [Tabernaclehistoricalsociety.com](http://Tabernaclehistoricalsociety.com)

There are many articles posted about our history and pictures of schools, buildings and sites about town.

We also have constructed a downloadable route map so you can follow a trail to visit many township historic sites. Like to use GPS? Our tour includes GPS points for all locations!

Our oral history section now has oral interviews from three multi-generational families. Read them for some revealing insights of life in early Tabernacle. Several more are coming soon. If you can to help us transcribe some of them, contact us at the email below.

Interested in the Civil War? Read about the 20 civil war veterans buried in Tabernacle Cemeteries.

And If you are looking for a gift with local flavor, visit our "Christmas Gift ideas" section. You can even use PayPal to finalize your deal.

And speaking of PayPal, -why not join our society and/or make a donation! Yes, you can use PayPal on our website!

In addition to the website we are embarking upon some major upgrades to our historic homestead, "The Knight-Pepper House." If you are interested in helping out, perhaps with painting, room decoration or a cash/item donation, let us know.

If you and/or you family have lived in town for a few generations, and if you have any ephemera or old pictures, we would be happy to scan them and place them on our website. Why not share with everyone some of our great local history?

## Stormwater / Clean Communities Program

October 17, 2019

Dear Residents:

When was the last time you thought about the effects of recycling in Tabernacle Township? Did you know that recycling can save you tax dollars? Recycling has saved Tabernacle every year in landfill tipping fees. By recycling materials such as paper, cardboard, bottles and cans, current landfills are able to accept other materials that are not recyclable.

Tabernacle is situated in the Wharton State Forest and we boast that it is the "Gateway to the Pines". By participating in the Clean Communities Program, volunteers of non-profit organizations are keeping our Roadways litter free and are able to raise money in the process for their organizations.

Keeping our properties and roads free and clear of trash presents a welcoming appearance to those who visit or are contemplating moving to our area. Clean appearances keep property values up. Tabernacle Township offers many opportunities to its residents to assist in getting rid of items that can be safely recycled. Recycling televisions, computers and white metal objects keep our landfills free from hazardous materials. If you have hazardous materials such as oil, fluorescent light bulbs, car and phone batteries, old paint, solvents, anti-freeze and driveway sealers you can recycle these materials on the Hazardous Waste drop-off days in Tabernacle, Shamong and Medford Lakes held on the third Saturday each month from 9AM to 12 noon at alternating locations. Check out the Township website for specific dates at: [www.townshipoftabernacle-nj.gov](http://www.townshipoftabernacle-nj.gov).

Remember to clean up after your pets and remove the pet waste when exercising your dog. Pet waste can enter our water's eco system and contaminate wells. Never discard waste in a storm drain. Please keep your storm drains free of litter and leaves to allow water to run freely.

The New Jersey Department of Environmental Protection works to promote the Stormwater Management Program and recycling of materials is key to this important work as it reduces the hazardous materials that contaminate our environment. For other suggestions on recycling, residents are encouraged to check out the NJDEP website at: [www.cleanwaternj.org](http://www.cleanwaternj.org).

Let's work together to keep Tabernacle Township "A Center of Good Living".

Sincerely,

*Joseph W. Barton* /s/
