CLEAN COMMUNITIES **ADOPT-A-ROAD PROGRAM GUIDELINES**

Welcome and thank you for your interest in keeping Tabernacle Township clean and safe!!!

1. The safety and welfare of all individuals participating will take precedence over all other considerations. The Clean Communities Coordinator will brief all organizational supervisory personnel prior to beginning work at each job site. This representative will insure compliance of safety guidelines at all times.
2. Groups will be assigned specific roads from which they will remove litter on a regular basis. All pickups will be scheduled ahead of time with the Clean Communities Coordinator. Groups will be bona fide nonprofit community and civic organizations providing service to Tabernacle Township.
3. All participants will wear safety vests at all times. Groups must schedule their cleanups at least two weeks in advance with the supervisor of public works. No more than three groups will be scheduled at the same time. Groups will be accepted up to the maximum amount of funding available.
4. The Township will supply a “Litter Patrol” sign. The lead participant shall place the sign 400 feet before the staging location of the cleanup area per the manual of Uniform Traffic Control Device guidelines.
5. All participants will wear gloves during those times when they are actively picking up or depositing letter. Participants must wear appropriate clothing, i.e. sturdy shoes and long pants. The use of insect repellent and sunscreen are recommended.
6. Participants in cleanup must be 11 years or older. A signed permission slip for participants under 18 is required. A copy of all signed permission slips must be provided to Township.
7. All other litter of reasonable size and weight will be placed in the bags provided, it should be placed at curbside.

8. Bulky waste will be placed at curbside if it can be safely moved. Municipal Clean Communities Crews will mark bulky materials, which cannot be moved to curbside, for pickup. The Clean Community Coordinator should be notified for pickup.
9. Clean Communities Crews will police from the shoulder of the right of way back approximately 10 feet. Adult supervisors must use discretion to insure that safety and reasonableness of this distance on a case-by-case basis. At no time will Clean Communities Crewmembers be subjected to unsafe conditions simply to meet this 10 foot guideline.
10. No cleanup members will cross the right-of-way during cleanup activities. Designated Clean Communities Crews will work only one side of the right-of-way at a time. There will be **NO EXCEPTIONS!**
11. Breaks will be at the discretion of the adult supervisors. Breaks must be taken in locations, which provide for the safety of the Clean Communities Crews.
12. Clean Communities Crews must agree to tend to the site a minimum of two times per year. Participating organizations shall be paid \$200.00 per pick-up to be paid upon completion of pickups.
13. Clean Communities Crews will only conduct cleanup activities between the hours of 8:00 a.m. and 4:00 p.m. and when visibility provides for safe operations.
14. No Clean Communities Crews will conduct cleanup activities without adult supervision. The ratio of adults to children is and must be 1 adult to 5 children.
15. Accidents or injuries to any adult or youth member participating shall be reported to the Clean Community Coordinator immediately. The group supervisor must give a detailed report on the incident and submit said report to the Clean Community Coordinator within 24 hours.
16. Tires should be placed at curbside.
17. Participants should not to pick up broken glass or any other sharp dangerous objects. These objects include:
 - a. Medical waste
 - b. Radioactive waste
 - c. Waste in unmarked containers, such as liquid material
 - d. Waste with an unusual odor
 - e. Waste marked as "Hazardous Substance"
 - f. Any material considered dangerous if not handled correctly
18. Material borrowed for cleanup must be returned in a timely manner. The cleanup group is responsible for returning the materials intact and in good condition.
