DEPARTMENT OF PUBLIC WORKS

Deer Carcass Removal

If you need to report a deer carcass, please take note that new regulations have been established by the State of New Jersey.

A deer carcass located on a State Highway such as Route 206 should be reported to the [NJ Dept. of Transportation](#) by emailing the information to the following website:

If the deer carcass is located on a Burlington County Road such as:

| County Roads in Tabernacle | County Route |
|----------------------------|--|
| Carranza Road | 648 (Southampton to Flyatt Road) |
| Chatsworth Road | 532 |
| Flyatt Road | 648 (Carranza Road to Old Indian Mills Road) |
| Medford Lakes Road | 532 (Route 206 to Carranza Road) |
| Old Indian Mills Road | 648 (Flyatt Road to Tuckerton Road) |
| Tuckerton Road | 622 (West of Route 206) |

Please report this to the [Burlington County Highway Department](#)

If the deer carcass is located on a Tabernacle Township road, you can [email](#) the Township and report the pick-up. Please be sure to have the address (street name and closest cross street intersection) when you make this report.

Deer carcass must be on shoulder of the road to be removed. The township is not responsible for removal of a carcass if it is located elsewhere on a property. Carcass removal is usually performed within 48 hours after report is submitted to contractor.
