Dear Residents:

The Mayor and Township Committee in their efforts to provide the residents of Tabernacle Township with improved internet service, have enclosed please the Verizon Bona Fide Retail Request Application. If you are interested, please complete the application and return it to me at the above listed address.

The goal is qualifying small business and residential customers in Verizon New Jersey's service territory who do not already have broadband service available to them may now request broadband service through a Bona Fide Retail Request (BFRR).
