FROM THE MAYOR: THANKS

In last month's Ninety North Main issue, I asked you to do your part to conserve water. I would like to thank the citizens of Tooele for your cooperation in conserving water. It helps considerably when you conserve water and follow the suggested watering schedule.

We are working on improving our water situation and hopefully will not experience some of these same problems next year. However, water conservation is always a concern

in this desert climate that we live in. Every city in Utah experiences water shortages and/or problems and it is important to always practice water conservation.

Once again, thanks for your cooperation and your help.

Frídays on Vine

I would like to encourage everyone to attend the performances Friday nights at the Veterans Memorial

Park. These concerts are free to the public and family oriented. T Minus 5 will perform for the season finale. I have had the opportunity to see this group perform and I can tell you that they are very entertaining. You won't want to miss this performance!

"FRIDAYS ON VINE" SEASON FINALE

The Tooele Downtown Alliance Committee, Tooele City, and the Tooele Arts Festival will bring a very entertaining group, T Minus 5, as the season finale to "Frídays on Vine." T Minus 5 is a 5 member group that performs a capella; but they not only sing, they entertain as well.

forms a capella; but they not only sing, they entertain as well.

The group will perform Friday, September 8th at 7:00 p.m.

September 8th will be the last "Frídays on Vine" performance this season, so bring your families, loved ones, blankets and/or lawn chairs, and enjoy a great night at the Veterans Memorial Park!

We hope you have enjoyed the "Frídays on Vine" performances. If you would like to be considered as a performer for next year's season, please contact Doug at 843-2103.

OPERATION CHRISTMAS CHILD

Although it's only September, Tooele

City is already thinking about Christmas. We are excited once again to be a sponsor for Operation Christmas Child in our community. Operation Christmas Child is a project of Samaritan's Purse. This program helps young children who have suffered

because of war, natural disasters, poverty, illness, homelessness and general neglect.

This is Tooele City's sixth year to be involved in this great humanitarian project. With your help, we have been able to fill over 1,400 shoeboxes with basic necessities for hurting children. We are once again asking our community to help this year. This is a great project for individuals, families, and small groups to gather

basic necessities, school supplies, and small toys and complete a shoebox.

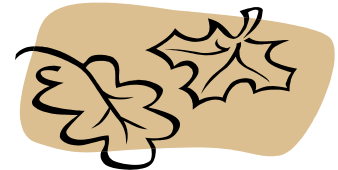

If you are interested in this worthy project, please stop by City Hall for a brochure explaining how to fill a box or call Sharon at 435-843-2110. Let's make this a record-breaking year by sending more boxes than ever to these hurting children. The deadline is November 1, 2006.

You're Invited to Help Your Children Achieve Their Very Best!

Children can help us capture some ferocious monsters on paper or find the monsters hiding in the library. Also watch for some Totally Teen activities for students in grades 6 - 12. Teens can play back to school BINGO, guess

what's in the backpack, help Harold remember his locker combination and bead a backpack tag.

And don't' forget story time every Wednesday at 11:00 a.m. and craft day every Friday from 3:00-5:45 pm.

It's all going on at the library!

Update on Recycling Center

To the citizens of Tooele who responded to the recycling survey in our city's newsletter, I thank you and applaud you for your interest.

It has been an adventure to pursue locations for a suitable collection site, however I will not be able to bring a recycling center to Tooele at this time.

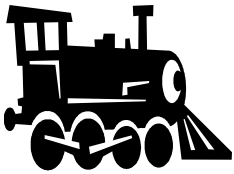

My hope is some day, some way, recycling will come to Tooele!

Thank you again, a concerned citizen of Tooele.
