FROM THE MAYOR

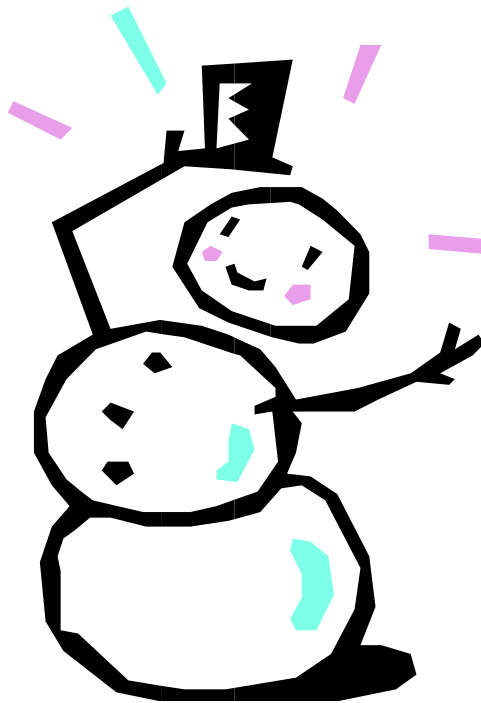

Mayor Patrick Dunlavy

They are tireless and dedicated people. I'm also very grateful for my family that supports me every day.

Thanks to my beautiful wife, Pam, for her unending support. It's not easy being the wife of the Mayor sometimes. I appreciate her very much. To my two wonderful sons and two beautiful daughters, thank you for the wonderful individuals that you are and for your beautiful families. I truly am blessed.

Thanks to each of you for your kind words and support as we move our city forward. May your holidays be joyful. As times get tough, let us not forget those less fortunate, they need a helping hand.

I wish you all a very Merry Christmas.

HAPPY HOLIDAYS to each of you! As the news concerning the troubled economy continues to bombard us daily, it really is so very important to give thanks for the good things in our lives. I am so grateful for the opportunity to serve my community, for the wonderful employees and especially my special staff that helps guide our city.

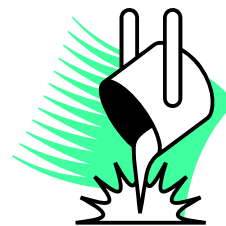

WHERE ARE YOU DUMPING THAT GREASE?

During the past several months several Tooele City residents have experienced the horror of sewage back ups in their homes. Those back ups have caused the loss of many irreplaceable keepsakes. Insurance may

pay for the loss of monetary values, but it is very unlikely that any sentimental value will ever be reimbursed. Nothing ever seems the same, even after cleanup has been completed, once something has been soaked

in sewer water.

One of the major causes of sewage back ups is animal and vegetable fats that citizens have dumped down

their sink drains. After a short trip through the sewer line, the fats and other grease congeal, therefore blocking the passage of household waste. Sometimes that blockage is in the home's service line. Often the blockage is in the main line causing the sewage to back up in several homes or businesses.

With the holidays approaching and

the cooking of turkeys, especially in the deep fryers that are so prevalent today, we ask that people do not drain fats down their kitchen sinks. Please allow any fats to congeal and dispose of them with your normal trash pick up. Do not dump or pour any grease or fats into sink drains.

TEMPORARY ROCK CRUSHER

Harper Contracting will start crushing and screening rock on property south of All Star Lanes bowling alley the first of December. This will provide materials to help build 1000 North. They will operate 6 days a week from 8 am to 6 pm. It may be noisy at times, but please be patient because it is only temporary and will help build a road that we've long awaited for!

Fallen leaves can get into the storm drain systems, clogging them, and in some cases cause flooding. As property owners and homeowners, it is your responsibility to maintain the curb and gutter throughout your property. Do not propel leaves, debris or snow out into the street or gutter area. It is important to keep the gutters clean and clear for storm water to flow freely. If you bag your leaves and they do not fit in your garbage can, they will be picked up on your regularly scheduled bulk waste day.

There will be no garbage or bulk waste pickup on Christmas or New Year's Day. If your regularly scheduled garbage pickup day falls on either Christmas or New Year's Day, it will be picked up the following day instead. If you have any questions, please call Tooele City 843-2150, or Ace Disposal 882-7009.

HELP BY REPORTING SUSPICIOUS JUVENILES

Tooele City Police would like every citizen's help with the graffiti problem. A lot of the graffiti is being done by juveniles. We would like to encourage anyone that observes juveniles wandering around their neighborhood past curfew*, to call and let police know of the juvenile's location and description. Not all of the graffiti occurs at night so we would also encourage citizens to call if they observe students that are truant from school. Don't be afraid to call and report any suspicious people or incidents. Hopefully, if we work together we can make a difference! Call 882-8900 if during business hours, or 882-5600 after hours. Of course, in an emergency call 911.

*Curfew: Age: under 14, winter 10 pm—5 am, summer 11 pm—5 am. Age: 14-18, winter Midnight—5 am, Summer 1 am—5 am

Don't park on city streets between the hours of 2 am to 6 am during the winter months so that the city snowplows can clear off your street!
