Water Conservation

Mayor Patrick Dunlavy

Tooele City reminds everyone that there is an outdoor watering schedule in place for all residents living in Tooele City. Please locate your scheduled watering days on the

schedule shown to the right and *water only on the days allowed for your area.* The watering schedule also applies to all businesses, schools and government agencies that use culinary water. No one should water between the hours of 10:00 a.m. and 6:00 p.m.- and no watering on Sundays.

Following this schedule will allow you to maintain your landscaping and

keep your yards beautiful. Thank you for doing your part to conserve this most precious resource.

Thank you to each and everyone of you for helping to make Tooele truly the great city in Utah!

2008 Watering Schedule

CONCERT, FIREWORKS & GOOD CAUSES

Under the direction of Mayor Patrick Dunlavy, a program called "Dollars for Denim" was started where Tooele City employees donate \$1 on Fridays for the opportunity to wear jeans to work. The money in this fund is used to help families during the year, especially at Christmas. Employees love this program because it is the only day they are able to wear

jeans (except those employees that work in the field) and they help with a good cause.

Last year, Tooele City was able to help 13 families during the holidays. Tooele City employees also donated money to the American Cancer Society, Action 4 Autism, Cystic Fibrosis and other charities throughout the year.

Another way this fund

receives money is from the Ty Herndon concert. All monies received from ticket sales go in this fund. The Mayor is generous in giving this money back to the community.

You can help build this fund by attending the Ty Herndon concert! It's a way of donating to a great

LAFORGE ENCORE THEATRE COMPANY

Carol LaForge has provided 34 years of service to Tooele High School’s theatre program. Since the announcement of her retirement, the community at large has been asking what she is going to

do. Well, here’s your answer: “I have wanted to start a community theatre in Tooele for a long time. We have a lot of talent in our community and I want to build something we can all take pride in.”

LaForge Encore is that newly formed, non-profit organization. They’re dedicated to bringing a high level of theatre to the

residents of Tooele City and surrounding communities. Their first production is “Once Upon A Mattress”, a hilarious musical adaptation of the fairy tale classic *Princess and the Pea*, showing July 10-12 and July 14-19 at 7:00 p.m. at the Tooele High School auditorium.

The LaForge Encore Theatre Company applied for, and received, funding from the Tooele City Arts Council.

For more information about the LaForge Encore Theatre Company, please visit www.laforgeencore.org or email info@laforgeencore.org.

Ty Herndon

cause—and you get to enjoy a GREAT concert! Ty Herndon has performed in Tooele city before and has a great following from the citizens here. Cheryl Harvey Hill, Senior

Staff Journalist with countrystarsonline.com has posted *May Top Picks of 2007-Predictions for 2008*. In her review of the albums and artists who most impressed in 2007, Ty Herndon is included as one of four artists identified as “perfection.” She writes, *“Herndon is like a country music staple and the reasons why are crystal clear in his last album. Like fine wine, he just keeps getting better.”*

The concert is scheduled for July 5th at 8:00 p.m. at the Tooele High School football field. Tickets for Ty Herndon are on sale at Tooele City Hall or Macey’s Food and Drug. Tickets are only \$5! You won’t want to miss this concert!

There will be a fireworks display immediately following the concert.

Parking on the 4th of July

Tooele Police would like to remind everyone there is no parking allowed on the July 4th parade route. Parking on the route creates hazardous conditions for the children by forcing them into the street dangerously close to the procession. Police will be out early checking the route and getting vehicles moved off the route as needed. Remember the parade route streets are: 200 South (east of Main), Main Street, 400 North (west of Main) and 200 West to Vine. You can contact the city parks department (843-2143) for exact route details. Police would also like to remind parents to monitor their children closely during the parade to ensure they remain a safe distance away from the parade procession. This is most problematic when candy falls too close to the procession. As long as citizens are mindful of these rules and recommendations, we are confident the parade will be safe and fun for all.
