FROM THE MAYOR

Welcome to fall. It truly is a beautiful time of year. With the completion of our agreement with the Bevan Wall Trust we will all be assured that the beauty of 101 acres of East Bench property will forever be preserved as open space for now and future generations. It has been a goal of the City Council and my administration to preserve open space areas when possible. This area is truly representative of the beauty of our city and our valley. We will continue, whenever possible, to add to our preserved open space. My thanks to the Bevan and Wall families for working with us.

I had the very distinct honor of participating with the super staff and students at Middle Canyon Elementary to unveil their new Freedom Shrine. This display of the Constitution, Gettysburg Address, Martin Luther King's historic speech and many other important historical documents truly is a wonderful addition to their school. Way to go Middle Canyon Elementary! Thanks to Mrs. Miller,

the principal, for inviting me, it truly was an honor. Thanks to Mrs. Leary and the students for the really special program explaining these very important documents. Way to go Emma Wasson, Brandon Bruce, Mary Beth Moreno, Kia Mower, Boston Anderson, Sarah Colvin, Madeline Sadowski, Taylor Stowe, Madison McClure, and Aaron Hancock— you guys were fantastic.

As we continue the important business of the City, I again want to thank each of you for your support. Making Tooele City better every day is challenging but very rewarding at the same time. If you have comments or ideas please contact me at 843-2104 or 843-2101. You can e-mail me at patrickd@tooelecity.org.
