

NINETY NORTH MAIN

FROM MAYOR WINN....

**Mayor
Debbie Winn**

It was an honor to attend the 100th Anniversary Celebration of the Tooele City Fire Department on Saturday, July 13, 2019! It was a wonderful celebration! The Fire Department's dedication to this City is unlike any other volunteer. Every piece of equipment, every truck, and the buildings that house the equipment are all taken care of by the firefighters as if it belonged to each one of them. I appreciate their dedication to respond to any fire, at a moment's notice, day or night. I admire their courage to put their life on the line each time that the fire alarm goes off. I admire, appreciate, and thank the family members of these fine firefighters, who also volunteer of their time and resources to help others.

Chief Harrison became the leader of the Fire Department the same day I became the Mayor of this City. We were both a little nervous about our new responsibilities. I can tell you today, Chief Harrison not only stepped up to the plate, but he knocked it out of the ball park! He is an exceptional leader and I am so proud to have this opportunity to serve with him.

A few weeks ago, an individual asked me when Tooele City was going to get a professional fire department. I responded, "We already have a professional fire department, they just don't get paid!"

On behalf of the Tooele City Council, myself, and this community, may I express our deepest appreciation to each one of our volunteer firefighters for their service to our community! Happy 100th Anniversary!!!
