TOOELE CITY PROPOSITION #6:

A proposition to continue funding that develops and maintains cultural, artistic and recreational opportunities in Tooele City.

What is PAR?

PAR is the Tooele City Parks, Arts, and Recreation program that develops and maintains cultural, artistic, and recreational opportunities in the city.

How is the PAR Program funded?

PAR is a 1/10th of 1% sales and use tax. This means if you purchase a \$10 pizza, only one penny goes towards PAR; or if you purchase \$100 worth of groceries, only 10 cents goes towards PAR.

Every time someone spends money in Tooele City they are contributing to the Parks, Arts, and Recreation (PAR) funding that is used to fund cultural facilities, cultural organizations, and parks and recreational facilities in Tooele City.

PAR is not a property tax.

Is PAR a new tax?

No. Tooele City citizens first voted to approve the Tooele City PAR tax in the November 2004 election and reauthorized the funding in the November 2012 election. Although this measure was voter approved twice before, state law requires that it be voted upon again in 2022.

How will PAR appear on the ballot?
