RICHARDSON ROAD – GOLDSBURY WOODS RD – SHOOTING

Background: The Town has received complaints regarding shooting on land owned by Patrick Tessier who has a small shooting range. The property is located off Richardson Road (Lot 11) and abuts the Goldsbury Woods Road subdivision. The owner of the small shooting range is not the person shooting on the rear part of the lot. David and Nancy Lacroix’s land (Lot 12-01) abut Tessier’s land and have complained about the frequent shooting.

The Police Chief has walked the area and has spoken with the Lacroix’s and person(s) doing the shooting. He states the range is safe. The Town does not have ordinances to regulate shooting or noise. However, a Police Officer can enforce the state law about noise.

The following testimony was given by numerous residents/guests who were present:

- Lacroix - The noise from the ongoing shooting impacts the use of their property and creates issues for an autistic child.
- Lacroix - Until the last few years there did not seem to be an issue – now shooting includes semi-automatic firing of weapons.
- Jeff Goddard – lives at 18 Goldsbury Woods Road and oversees the shooting range for Mr. Tessier. He stated he has attempted to resolve the issue with no success.
- Due to the topography the sound from the shooting does travel. It was noted that the Barre Fish & Game Club is located next door as well.
- Peter Kelley – Berlin resident, states he can hear the shooting from his home as well. He provided a petition from other Berlin residents to inform the Barre Town Selectboard of the noise issue created by “high intensity shooting.”
- This is a private gun range on private property. It is unclear if the property owner has insurance covering this or if it is needed. There is no charge to use the facility, users are friends and family, and there is signage to “warn” there is a gun range. It was also noted that deer/turkey hunting take place on this property as well.

Tom White and Bob Nelson have agreed to meet with all parties, inspect the site, and would ask that it be at time where they could hear shooting from the LaCroix property. The goal is to find a solution so all parties can use and enjoy their respective properties. Mitchell stated he would like to information ahead of the meeting in case mediation does not work recognizing this is going to be a contentious issue.

Llewelyn (Evan) Hughes, VP of the Vermont Sportsman Club and Barre Town resident, was present. He has testified before Vermont Legislature over the years with respect to firearms. He noted Title 24, that definitions are very broad, and there is no permitting process in place.

GUARDRAIL WORK ALONG QUARRY HILL ROAD

Background: The current year budget includes \$14,000 for guardrail replacement on the west side of Quarry Hill Road. Bidding specifications were mailed to seven bidders and two were received. The low bid was Lafayette Highway Specialties. They do most of the town’s guardrail work.

On a motion by Nelson, seconded by Malone, the Selectboard voted to award the Quarry Hill Road guardrail contract to Lafayette Highway Specialties based on their per unit cost bids, with an estimated total of \$12,003.75. Paul White was not present for the vote.

LAMOILLE COUNTY SHERIFF’S - DISPATCH CONTRACT

Background: On March 6, 2018 the Selectboard voted to agree to a 3-year dispatch service contract with Lamoille County Sheriff’s Department. However, the document was not ready at time. It is now time to sign the contract.

On a motion by Nelson, seconded by Mitchell, the Selectboard voted to execute the 3-year contract with the Lamoille County Sheriff’s Department (approved on March 6, 2018) for dispatch services. Paul White was not present for the vote.

POLICY FOR APPROVING CATERING PERMITS

Background: At the June 5, 2018 Selectboard meeting the Selectboard was asked to adopt a policy for the local approval of the State of Vermont Request to Cater Malt, Vinous, and/or Spirituous Liquors permit. As directed, the Clerk presented a draft policy to the Board for comment.

REPORT – EMERGENCY MANAGEMENT ACTIVITIES

Background: The Local Hazard Mitigation Plan states there will be a progress/activity report every June. Even though it has only been a few months since a new plan was approved (April 2018) the report is being given to start this annual routine.
