Dear Edison Resident:

The many services provided for residents of Edison Township throughout the year are listed in this 2024 Public Works Department Calendar.

My Administration has worked diligently to bolster the Public Works Department to provide the best, most robust services to improve our quality of living. Edison's Public Works Department has made improvements to all 30+ parks throughout the town, from new playgrounds, replacing trees, adding fitness trails, resurfacing athletic courts, and more, to enhance leisure and recreation for our community. We are proud to live in a Township that is well-manicured, safe, and family-friendly, and we thank our Public Works Department for being an integral part of the process.

Our website ([www.EdisonNJ.gov](http://www.EdisonNJ.gov)), Local Access TV Channel 15, NIXLE, Recycle Coach, and social media listed below will carry the latest advisories, events, and announcements. In extreme conditions or emergencies, I will place a robocall to residents and businesses in town.

**MAYOR SAM JOSHI**  
Township of Edison

If you need assistance with Edison Township's menu of services, please contact my office at (732) 248-7298

# RECYCLING COLLECTION

## HOW CAN YOU RECYCLE?

The Township provides a curbside recycling collection program for basic recyclable items (single stream containers, newspaper, magazines, mixed paper). The curbside recycling program is a simple and efficient way residents can properly dispose of recyclables. Recyclables must be placed at your curbside in appropriate recycling containers the evening before your scheduled day. *Corrugated cardboard is placed next to container. If it is in your container your recycling will NOT be picked up.*

### DROP-OFF CENTER FOR EDISON RESIDENTS FOR **CARDBOARD ONLY**:

Minnie B. Veal Drop-Off Center  
1070 Grove Avenue  
Hours: Monday to Friday 10:00am-2:00pm  
Closed weekends and holidays

**Note:** Residents may drop off ONLY CORRUGATED CARDBOARD which is normally placed next to your recycling bin. **Any other items will be considered illegal dumping.**

**Security cameras on location.** When coming to drop anything off go to the office first. Please do not leave any items outside the gate when the Drop-Off Center is closed. This is a violation of Township Ordinance.

Recycling improperly can result in contaminating the entire truck load and puts the Township at risk for a hefty fine.

## RECYCLE – IT’S THE LAW!

*Everyone Must Recycle...*

EVERYONE MUST HAVE  
SEPARATE RECYCLING  
AND GARBAGE  
CONTAINERS...

RECYCLABLES MUST NOT  
BE MIXED WITH  
HOUSEHOLD GARBAGE....

## HOW TO DETERMINE YOUR RECYCLING SECTION

The Township is divided into 10 Recycling Sections (RS). Materials for recycling are collected every other week (bi-weekly). Refer to page 8 for your Recycling Section and Recycling Collection Day. The specific dates for each recycling section are shown on the Month-by-Month Calendar starting on page 10. Multi-family residences have centralized recycling areas from which recyclables are collected bi-weekly. Contact your Management office for recyclable days and centralized area locations.

## INSTRUCTIONS FOR CURBSIDE RECYCLABLES

# HOW DO I KNOW WHEN BY GARBAGE IS GOING TO BE PICKED UP AT MY ADDRESS?

Edison Township maintains an app called Recycle Coach. The app can be found in the Apple iTunes store and in the Google Play store.

Alternatively, you can also search your schedule by your address from our website

<https://www.edisonnj.gov>.

In the center of the page, you will see an icon for Recycle Coach like the one shown here:

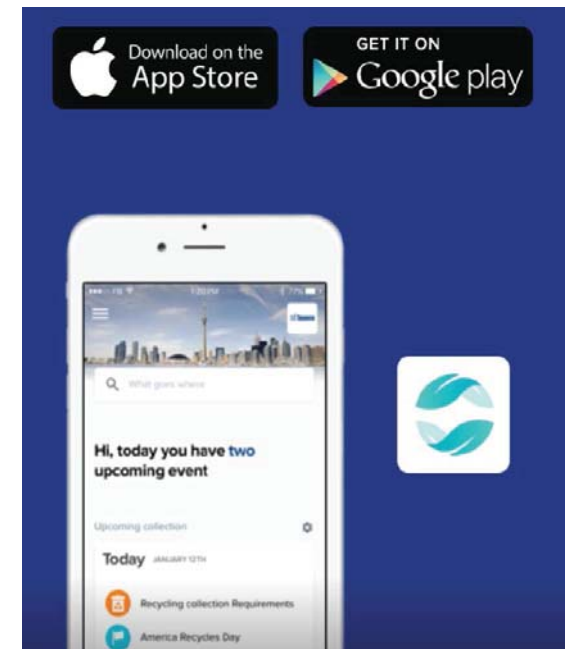

**Once on the page, click on View Schedule.**

Enter your address in the address bar. Your garbage, recycling and other important waste collection schedule information will be displayed.

**Garbage** collection will be represented with a green garbage can symbol.

**Recycling** collection will be represented with a blue garbage can symbol.

**Get the FREE App for the complete trash and recycling information in Edison Township at your fingertips!**

If you have any questions, please call the **Department of Public Works Office** **732-248-7288 from 8:00 am – 4:30 pm, Monday through Friday.**

# SOLUTIONS TO STORMWATER POLLUTION

## Actions You Can Take to Protect and Help Restore the Raritan River & Bay

### *Why does the Raritan Bay need our help?*

Long appreciated for its great aesthetic, economic and recreation value, an array of human impacts now threaten the health of the Raritan Bay. Pollution on streets, parking lots and lawns is washed by rain and snow melt into ditches, storm drains, streams, rivers and ultimately, Raritan Bay.

The stormwater pollution is one of Raritan Bay's greatest threats to clean water and the rivers and creeks that drain into it.

Fertilizers, pesticides, motor oil, animal waste, detergents, grass clippings, yard waste and litter are all examples of stormwater pollution.

### **LIMIT YOUR USE OF FERTILIZERS AND PESTICIDES**

- Perform a soil test to see if you need to fertilize
- Use a drop spreader to apply fertilizer
- Sweep up fertilizer from pavement and other hard surfaces after applying
- Do not apply fertilizers if heavy rain is predicted
- Follow the instructions on the bag label for correct application procedures
- Try alternatives to pesticides, such as plants that repel insects
- Properly store fertilizers and pesticides
- Landscape your property using native vegetation and plants
- To learn more about the proper use of fertilizer go to:  
[www.nj.gov/dep/healthylawnshealthywater](http://www.nj.gov/dep/healthylawnshealthywater)

### **As a resident or business of the Raritan Bay, there are everyday actions you can take to help reduce stormwater pollution**

#### **DON'T PUT ANY WASTES IN STREET OR STORM SEWERS**

- The Stormwater system is for the collection of storm water only, with limited exceptions.

#### **DON'T PUT YARD WASTE IN STREET**

- Grass clippings, leaves and other yard waste should always be placed in containers and never swept, raked, blown, or otherwise put in street
- If such materials are in the street, they should be removed

#### **KEEP A LID ON ALL DUMPSTERS & REFUSE CONTAINERS**

- Uncovered dumpsters and other refuse containers can cause wastes to reach natural water bodies during storm events

#### **CLEAN UP AFTER YOUR PET**

- Use newspaper, bags or pooper scoopers to pick up pet waste

#### **DON'T FEED WILDLIFE**

- Do not feed ducks, geese or other forms of wildlife in public areas

#### **DON'T LITTER**

- Place litter in trash receptacles and keep it out of storm drains
- Reduce, reuse and recycle
- Participate in community cleanups

**To learn more about storm water management visit [www.nj.gov/dep/stormwater/](http://www.nj.gov/dep/stormwater/)**

## EDISON GREENWAY GROUP

The Middlesex County Greenway is a multi-use trail in New Jersey running from the town of Metuchen to Woodbridge, for a total length of 3.5 Miles (5.6 km). The mission of the Middlesex Greenway Coalition is to preserve a historic rail corridor as a rail-trail and to connect it to a growing system of bike paths, and bike routes. There are 12 entry points along the trails length. For more information visit [www.edisongreenways.org](http://www.edisongreenways.org) or call 732-985-7071.

## CUT IT AND LEAVE IT PROGRAM

Did you know that mulching grass clippings for use in your yard is not only easier, but better for your lawns health and appearance? According to State of New Jersey's "Cut It and Leave It" program environmentally conscious usage of your grass clippings can save you up to 25% of time spent on lawn care as proper usages will remove trips to bag your grass and save you from having to fertilize your lawn as often. Grass mulch, which would be generated by nearly all new mowers, also protects your lawn from the elements throughout the year and reduces the amount of water consumption as it helps lock in moisture from drying out in the days sun. Moreover, mulch can be used in combination with other fertilizers and lawn additives to help your garden beds for many of the same reasons, as organic matter boosts the effectiveness of these products in most correct uses. Taking actions like these show that not only can it be easier to lessen our carbon footprint, but beneficial to us in our everyday lives.

**BACKYARD COMPOSTING**  
helps the environment while creating a  
wonderful nutrient for your soil.  
Residents can purchase compost Bins.

**732-745-4170**  
for more information

## REPORTING A STREETLIGHT OUTAGE

If a streetlight is out, please contact PSEG as they are the contracted service provider of the streetlights. You can call their regular Customer Service line at **1-800-436-7734** to report the light outage or use their online submittal form **Report a Street Light Outage ([streetlightoutages.com](http://streetlightoutages.com))**. In either case, please remember to write down the pole number (will be listed on the pole via a metal tag).
