Commercial Recycling – What You Need to Know

The Law

The Municipal Waste Planning, Recycling and Waste Reduction Act of 1988 (Act 101) requires commercial, institutional, and municipal establishments located in Pennsylvania's mandated municipalities to recycle paper, cardboard, newsprint, plastics, steel, aluminum, and bimetallic cans, glass, and yard and leaf waste depending on the materials generated by your business.

Annual Required Recycling Reporting

The State requires all commercial, institutional and municipal entities to provide written documentation as to the type and weight of materials recycled annually. Reporting forms are mailed to businesses in December. Completed reports and supporting documentation are due to Upper Nazareth Township by January 30th every year. .

For more information or assistance in creating a new recycling program, or to enhance an existing one, contact Cindy Oatis, our recycling coordinator, at cindyoatis@gmail.com or at 610-759-5341, Ext. 208.

UPPER NAZARETH TOWNSHIP POLICE DEPARTMENT HAPPENINGS!

Upper Nazareth Township has a new Police Chief. Sergeant-William Cope was promoted to Chief after a year long interim position, after the retirement of Police Chief Alan Siegfried. Alan Siegfried held the position as Chief since 1996. Chief Cope has been a member of the Upper Nazareth Township Police Department for 12 years. Since Chief Cope has been in the position of Chief he has brought many new ideas and changes to the department. “Congratulations to Chief Siegfried on his retirement and to Chief Cope on the promotion!”

Police vehicles are one of the most expensive pieces of equipment the Upper Nazareth Township Police Department utilizes. A new vehicle costs about \$40,000 fully outfitted and they normally have a lifespan of about 100,000 miles. On December 14, 2016, we took possession of two 2012 Dodge Chargers for \$9,500.00 each. They came completely outfitted and ready to be deployed. They have been deployed around the Township to help with the enforcement of traffic and to help offset the cost of purchasing a new vehicle every year.

The Upper Nazareth Township Police Department is a very proactive Department participating in several Highway Safety Programs: Aggressive Driving, Seatbelt (Click it or Ticket), and DUI Checkpoints are just a few programs we are involved in. Over the next few months the department will be busy participating in several of these programs and you may notice officers on traffic stops more frequently. Please be vigilant when passing our officers and know that we are out there making travel safer in our Township.
