Instructions:

This form is intended for use by emergency service workers and the Upper Nazareth Police Department to assist in gaining entry to homes in case of emergencies where the individual inside may not be able to come to the door.

Please, provide where a key can be located or a keypad code, the contact information of a friend or family member, and any other information that may assist emergency services. For example: If you have any pets in the home or have any pre-existing medical conditions responders should be aware of.
