

UPPER NAZARETH TOWNSHIP COMMUNITY DAYS
SPONSOR LETTER
September 7th, 8th & 9th

Dear Friends:

We were thankful for once again being able to hold this event last year and are looking forward to a great event for 2023. As we have begun preparations for the event, we have decided to hold the event in September this year and have expanded the event to three days. The Community days this year will be held on Thursday September 7th, Friday September 8th, and Saturday September 9th.

Upper Nazareth Township Community Days events will provide enjoyment for children of all ages, adults, and senior citizens. In addition to a family friendly event, we are pleased to provide local businesses and organizations the opportunity to showcase themselves as an event participant and/or as one of our event sponsors.

Planning an event of this scale takes considerable time and financial resources. The Upper Nazareth Township Community Days Committee has been tasked with raising funds necessary to sustain such an event. As you can imagine funding a family friendly event with food, entertainment, games, etc. is costly.

Our goal for the community days event is to provide our community with a truly special event for all ages. We cannot provide such an event without your help and support. Attached is a list of sponsorship opportunities and benefits that we hope you will strongly consider.

We hope to attract residents of the Upper Nazareth Township community as well as residents of surrounding areas. Event sponsorship presents a significant opportunity to promote your business to this captivated crowd.

Please help us make our community day event memorable and reap the benefits of promoting your organization! If you have any questions, please contact the Upper Nazareth Township, at 610-759-5341, or email secretary@uppernazarethtownship.org. Please make your check payable to Upper Nazareth Township and send to:

Thank you in advance for your consideration and kindness. We hope to hear from you soon and see you at the event!

Sincerely,

Upper Nazareth Township Recreation Board
