LETTER TO THE COMMUNITY

November 20, 2025
Residents of Bayside,

Collections are one of the most valued services that the Village provides. In fact, in the most recent Community Survey, 86.7% of residents ranked garbage collection as the most important service and 66.7% of residents ranked recycling collection as the second most important service.

In 2024, our DPW crews spent,

- 897 hours collecting garbage,
- 553 hours collecting recycling,
- 821 hours collecting yard waste, and
- 161 hours collecting leaves.

During this time, our crew collected:

- 1,227 tons of garbage,
- 410 tons of recycling,
- 8,251 piles of yard waste, and
- 2,299 piles of leaves.

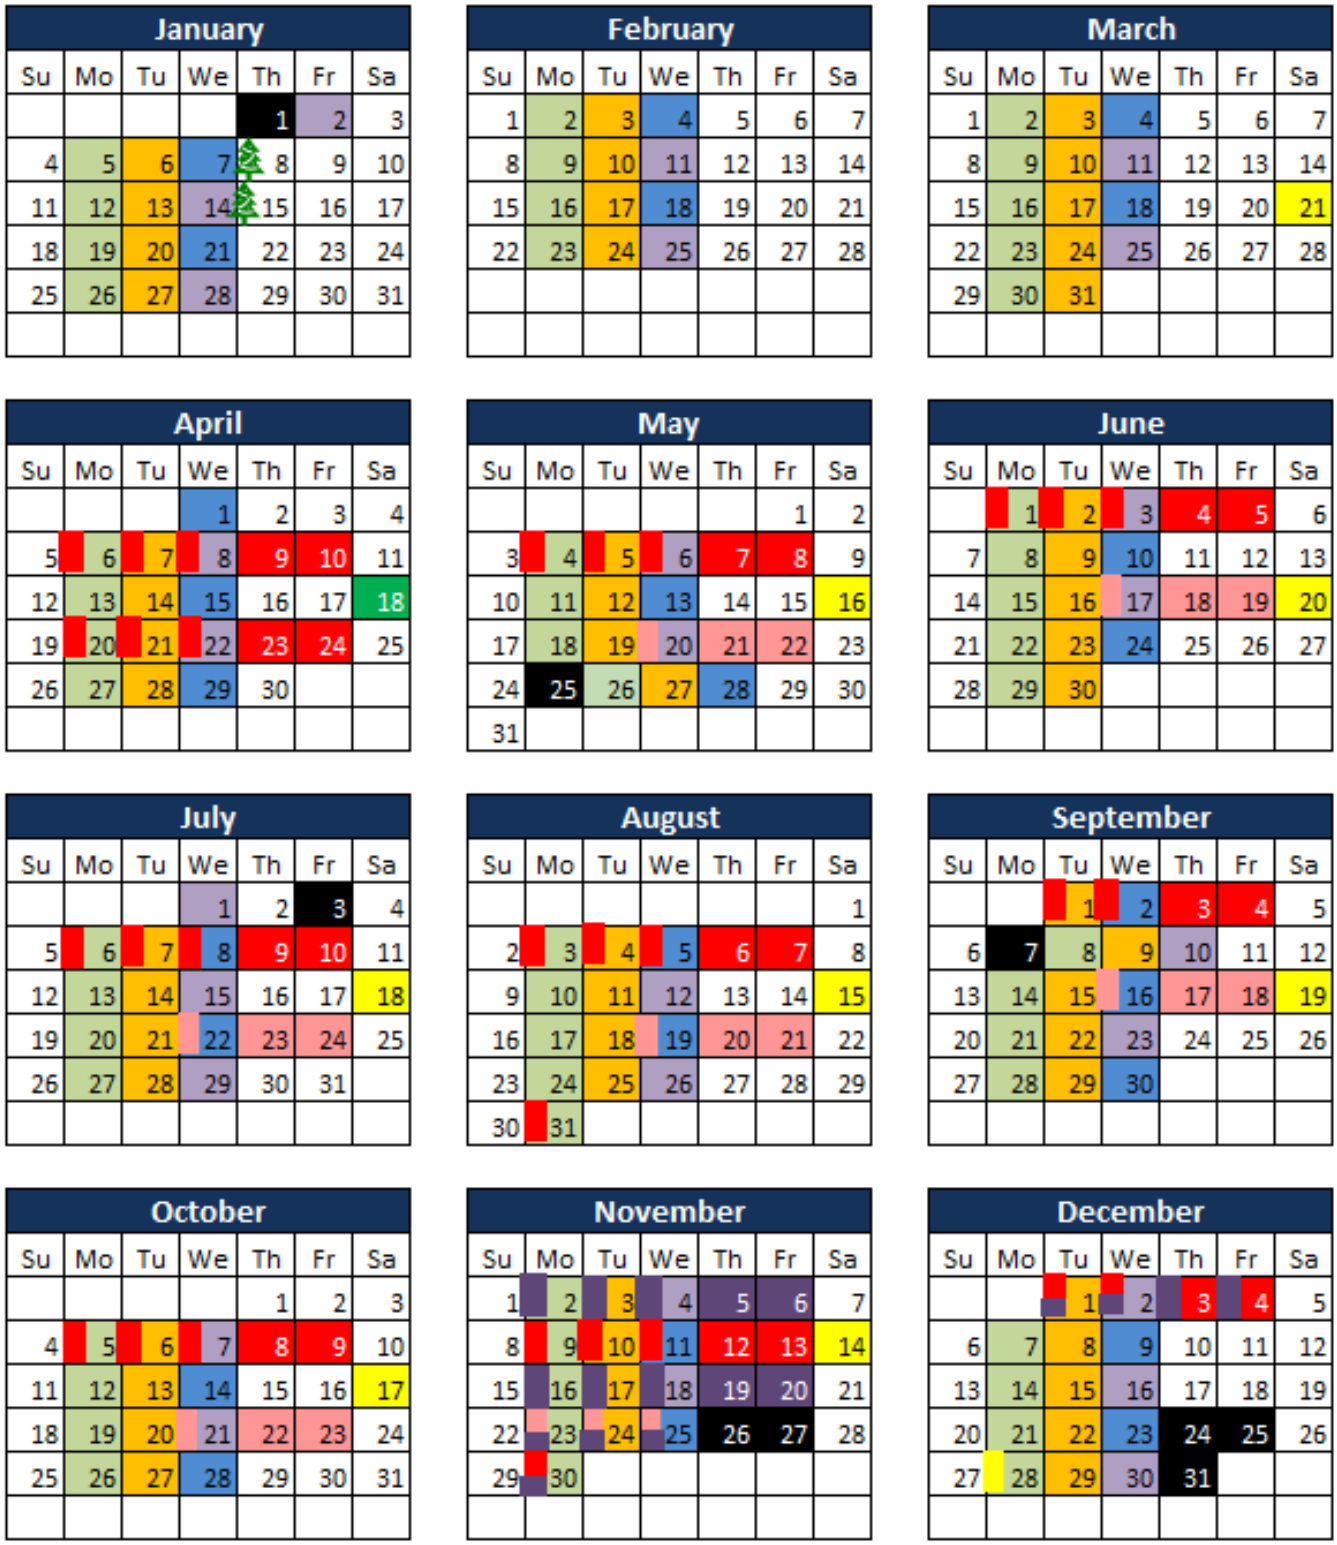

In 2026, in addition to our normal collections, the Village will host a Spring Clean Up Day, as well as Recycling Days from March through December.

Crews will perform collections on 195 out of 253 working days with 40 of those days consisting of two (2) or more types of collections in 2026. Roughly 80% of the days that crews spend working consist of collections, while still completing other responsibilities.

The Village understands the importance of collections for maintaining the appearance of the community. It is equally important to perform them efficiently and effectively. We have created this resource guide to inform, educate, and help you on the variations of each collection. We hope you find this as a useful tool to continue the efficiency of Village collections.

Respectfully,
Andrew K. Pederson
Village Manager

EXPANDED SERVICES

In addition to garbage, recycling, yard waste, and loose-leaf collections, the Village provides a variety of extra services for its residents.

Special Pickups

- Have you been looking to get rid of items that can't go in or don't fit in your weekly garbage collection? Public Works offers special and bulk item pickups the first and third Thursdays of each month. Once you make the request, pay the $82.40 fee, and put your items curbside, Public Works will do the rest. See page 14 for more details
- Schedule a special pickup: Access Bayside

Garbage, Recycling, and Yard Waste Cart Purchases

- Do you need extra space for accumulated recycling, a replacement garbage cart, or want to buy a yard waste cart for collection? Purchase additional, new or used, garbage, recycling, and yard waste carts from the Village.
- Recycling, yard waste, and replacement garbage carts can be purchased for $80, with no annual fee.
- Additional garbage carts can be purchased for $80, with a $110.50 annual permit fee.
- You can also purchase used garbage and recycling carts (when carts are available) for half of the cost, $40 (annual permit cost still applies to used garbage carts).
- Purchase carts: Access Bayside

Garbage, Recycling, and Yard Waste Cart Rentals

- Are you expecting to have more waste or recycling than normal for just a week or weekend? Renting an additional cart is an easy way to guarantee more storage for your needs. Public Works can deliver the rental cart right to your home and pick it up once you're done.
- The rental fee for the first cart per week is $40 and $30 for each additional cart per week.
- Rent a cart: Access Bayside

Garbage, Recycling, and Yard Waste Cart Lids

- Does your garbage, recycling, or yard waste cart lid need replacing? Public Works now offers replacement cart lids for purchasing. You can install it yourself, or have Public Works install it.
- Cart lid without installation: $40. Cart lid with installation: $60.
- Purchase a lid: Access Bayside

Up-The-Drive Garbage and Recycling Collection Service

- Public Works can pick up your garbage cart weekly and recycling cart biweekly at your garage door and put them curbside for collection for you. After collection, they will return the carts to their designated spot.
- This service can be purchased for an annual fee of $1,258.91.

Additional Recycling Opportunities

- Village Hall Recycling Center: Open to residents during normal Village Hall business hours. Residents can drop off items such as plastic bags, paper for paper shredding, eyeglasses, ink cartridges, and cell phones for recycling.
- Recycling Days: The Village hosts a Recycling Day March-November, excluding April, where residents can drop off yard waste, recycling, electronics (some restrictions apply), dehumidifiers, scrap metal, plastic grocery bags, light bulbs, ink cartridges, eyeglasses, cell phones, textiles (clothes, shoes, etc.)
