Your Newsletter... Spread the Word!

This newsletter is an effort to inform everyone in West Deer Township. Other sources — such as social media — may reach a portion of our residents, but a great deal of folks would be overlooked.

The Township produces an electronic newsletter that is available on our website and Facebook page. We also have a small amount of printed copies available at the municipal building, 109 East Union Road. ◆

Warning: Though social media has its value, receiving Township information from sources like Facebook can be misleading. They are great to keep up-to-date with community events, etc., but not Township FACTS. Make it easy on yourself... check out our website, email us, or simply give us a call. We're here for YOU!
