TOWN OF WEST POINT

Refuse & Recycling Information

The Town of West Point's Public Works Department provides solid waste collection services to Town of West Point residents and select businesses. Services include weekly refuse and recycling collection, monthly bulk refuse collection, and assistance with removal of yard waste.

Regular Refuse Collection

- All containers provided by the Town of West Point for trash collection should be placed on a public street, as near to the curb or street as possible, or except where public alleys are provided, between 1st and 23rd Streets by 7am the day of collection (refer to the Trash Route Schedule below for your collection day). Containers shall not be placed at the roadside for collection more than 12 hours before the regularly scheduled collection time, and must be removed from the roadside no later than 7pm of the day of collection.
- Trash containers should not be filled to overflowing, and when filled, should not exceed 200 pounds in weight.
- No bags, bundles of solid waste or yard waste may be placed outside of a trash container for collection, nor may any private containers be set out for collection by Town of West Point Public Works.

Bulk Refuse Collection

- Bulk refuse collection is the second Thursday of each month.
- A Work Order must be submitted for Bulk Refuse Collection. Please contact Town Hall at 804-843-3330 or wpreception@west-point.va.us to submit your request, or visit west-point.va.us/publicworks.
- Place your bulk refuse out for collection by 7am.
- Bulk refuse collection is available for residential properties but is not available from short-term rentals, businesses, or churches.
- Bulk refuse includes oversized household trash and bulky items such as furniture or appliances. (Remove doors from furniture and appliances.)
- Bulk refuse collection is not available for industrial and commercial waste, construction debris, or hazardous/medical waste.

Transfer Station

The VFW Road transfer station accepts both household trash and recyclables.
