Re: Preparation Instructions - Cockroach Elimination Management Inspections and Treatment (CEMIT)

Dear Resident(s):

We will be performing pest control services in your apartment, on **ALL AREAS** according to the following instructions.

ALL CLUTTER SHOULD BE REDUCED SO THAT WE HAVE FULL ACCESS TO ALL WALLS IN ALL ROOMS FOR A PERIMETER TREATMENT.

Kitchen:

- ◆ Remove all eating utensils from cabinets and pantry and place on the floor or on top of the table.
- ◆ Remove all foodstuffs from cabinets, pantry, counter tops, etc., and place them on the floor or on the table.
- ◆ Remove all cabinet drawers and place them on the floor or on top of the table (kitchen/dinette).
- ◆ Remove all items from the top of the refrigerator and stove and place on the floor or on the table.

Bathroom:

- ◆ Remove all belongings from medicine cabinet, vanity, linen closet, bathtub sides, sink and towel racks. Place all items inside the bathtub.

Closets:

- ◆ Remove belongings from the top and bottom of all clothing closets and place them on the bed. Do not remove the hanging clothes.
- ◆ Remove all items from linen and/or storage closets.

Bedroom:

- ◆ Remove all chest and dresser drawers and place them on the bed.
- ◆ Remove drawers and belongings from nightstands. Place drawers on the bed or on the floor underneath the bed.

Living Room:

- ◆ Remove belongings and drawers from coffee table and end tables.

Dining Room:

- ◆ Remove drawers from all dining room furniture.

Additional Notes:

- ◆ Please remove drawers from any and all other pieces of furniture not previously mentioned.
- ◆ Please remove items from all wall shelving, curios, and other storage areas.
- ◆ The service technicians will attempt to prepare any areas that require treatment and have not been properly prepared.
