MAYOR GARDNER'S REPORT

Happy St. Patrick's Day, Willoughby Hills! I hope that many of you are taking advantage of the opportunities to celebrate St. Patrick's Day with our local businesses and remind you to plan ahead and be safe tonight.

Despite the weather, another sure sign that Spring is around the corner is the Recreation Commission's Spring Craft Show tomorrow at the Community Center. The Commission has assembled another great group of vendors from Willoughby Hills and beyond to provide a unique opportunity to find artisan goods to use in your home or give as gifts. The Flyer later in this Newsletter has all of the details, I hope to see you there.

I want to express my thanks to Council Vice President Kline and City Council for their diligence in conducting budget hearings for the 2023 Budget. Chief Naegele, on behalf of the Police Department and I, on behalf of the City's Administrative Budget, met with Council's Finance Committee Wednesday night. Chief Naegele reviewed several department initiatives including the addition of 2 full-time officers to our staffing (they will add to our night shift), continuation of our vehicle replacement program for the Department's fleet, replacement and updating of equipment for the Department's evidence room and the replacement of the carport where the Department's vehicles are parked. I had the chance to review the addition of a full-time Finance Director (as reported last week), the addition of the City Communications Supervisor and how our City Prosecutor is compensated as well as touch on a number of other issues and respond to questions from Council members. The Budget ordinance will be on third reading at next Thursday's Council meeting, so there are still two opportunities for the public to ask any questions at next Monday's Working Committee meeting and at the Thursday meeting.

The City Engineer had a preconstruction meeting with ODOT this week for upcoming repairs to the slope on River Road, South of Chardon Road. These repairs will require closure of that stretch of River Road for a couple of weeks in May. We will have full details in next week's newsletter, but I wanted to mention it to you this week.

 Have a safe St. Patrick's Day!

OHIO SEVERE WEATHER AWARENESS WEEK MARCH 19-25th

Make sure you plan ahead and stay weather aware for a safe Spring!

Join the [National Weather Service](#) during the week to see a different severe weather topic highlighted each day. Included in Wednesday's topic of "Tornado and Wind Damage" is a Statewide Tornado Drill at 9:50a.m.

Another wonderful site to help build a weather-ready nation is [Weather.gov](#).

Both sites are full of very useful information on tornados, shelter & safety, flooding, heavy rain, receiving alerts, and many others. Check them out!

SERVICE

From the Road Superintendent...

PLEASE NOTE

The Service Department has started the 2023 Annual Sanitary Sewer Cleaning. This will run over the next few months as long as weather permits.

City Hall had a new addition this week! We had a beautiful day yesterday and Road Superintendent Grubiss took advantage of it. Thank you, Mark!

I give you the much-anticipated and very well-constructed railing:

VOLUNTEER OPPORTUNITIES

COMMISSION MEMBERS NEEDED FOR 2023

The **Recreation Commission** is seeking new members to assist with the planning and implementation of City recreation events including: Pancake Breakfasts, the Easter Scavenger Hunt, Fall and Spring Craft Shows, the City Halloween Party, Winterfest, Christmas Card Lane, the Holiday Lights Contest, the City Photo Contest and Breakfast with Santa. The Commission is also evaluating a potential all day City event (similar to Rock and Roll Day in 2022). Anyone who is interested in becoming a part of the Commission can fill out an application and deliver it to City Hall.

The **Board of Building and Zoning Appeals** is seeking a new member for a five (5) year term beginning on January 1, 2023. If there is an appeal, the Board of Zoning Appeals currently meets on the second Tuesday of each month at 8:00 P.M. in City Council Chambers. For more information about the BZA, on the City's Website simply select the "Government" Tab, then drop down to "Boards and Commissions" and select "Board of Building and Zoning Appeals."

The **Civil Service Commission** is seeking a new Chairperson as well as Vice Chairperson. This is a six (6) year term on a Commission that serves the purpose of developing and maintaining lists of candidates eligible for hire by the City as Full-Time Police and Fire Personnel. The Commission generally meets quarterly or on an as-needed basis.

The **Housing Council** is also seeking two residents to join in making an annual inspection of properties within the Community Reinvestment Act for which an exemption has been granted as well as hear appeals. This Council will meet twice per year, or on an as-needed basis.

Applications for any of the above positions are available [HERE!](#)

SERVICE/UTILITIES

RESIDENTIAL SUMMER SPRINKLER PROGRAM

It's almost time to start thinking about Summer! Did you know that Willoughby Hills has authorized a program for eligible homeowners which could reduce the costs paid for sewer charges each year during the months of May through September?

With your water bill you are charged sewer fees which are based on your total use of water. With the Summer Sprinkler Program, if you use more water during the summer months for sprinkling and other seasonal usage, your summer water bill will reflect a lower sewer usage based on a prorated consumption taking into consideration the difference between your usage in the winter months. This program applies to sewer charges only. You must still pay the Lake County Water Department for all water used.

There is a one-time administrative fee of \$20 payable by cash or check (payable to City of Willoughby Hills) which must be submitted with the completed [Summer Sprinkler Program Application](#). Applications with payment must be received by April 30, 2023.

Key things to note with the program:

- Available to **residential customers only** who own one, two, three, or four unit dwelling excluding condominiums and apartments.
- Residents who are tapped into the sewers.
- Residents who water gardens and lawns in the summer will see the biggest benefit.
- Once a resident enrolls in the program, they are enrolled for as long as they own the property.
- Enrollment after the April 30th deadline will not be effective until the following year.
- Resident will not begin to receive the reduced summer rate until they have been in the property for one year. This is a Lake County Department of Utilities (LCDU) requirement necessary for determining "normal" levels of usage.
- If a resident is filling a swimming pool, it is most financially beneficial to them to contact a vendor who provides bulk water sales as this water rate is generally cheaper than the LCDU rate and the resident will have no sewer charges to pay on the bulk water purchase.
