### **MAYOR GARDNER'S REPORT**

It was another very busy week in the City. Today, Willoughby Hills Fire Rescue and the Lake County Chapter of the American Red Cross held a smoke detector campaign in the City. Together with a team of volunteers, they visited neighborhoods in the City providing new smoke detectors to our residents. I'd like to thank everyone who helped make today's campaign possible!

Council continued their District Meetings on Wednesday night with District 2's meeting. District 3's meeting will be Monday night at 7:00 PM in the O'Ryan Room at the Community Center. All residents are welcome to attend any meeting, so if you were not able to attend the District 1 or District 2 meetings, plan to attend on Monday. Council has put together a very informative program highlighting current issues (including a great discussion of your options to contract for electric service), a financial update and a review of upcoming City events.

The City hosted The Mind Challenge for a New Generation on Tuesday. This is a trivia competition for folks fifty and over held across Northeast Ohio. Willoughby Hills will be hosting teams from Chesterland, Willoughby, Willowick and Eastlake in the initial round of the competition. Good luck to Willoughby Hills team members Sandy Falck, Ira Lorene, Dave & Denise Reichelt, Mary Melvin and Mike Kline..

As discussed in my report last week, please plan to attend tomorrow's Nature Walk at Hach Otis. Please also consider attending Trivia Night in Willoughby Hills on Tuesday!

Finally, I'd like to wish everyone in my family and in our community the happiest of Mother's Days. You truly make our world a better place! Have a wonderful weekend!

## FIRE

### Smoke alarms

With today being Smoke Detector Installation Day in the City, we thought it would be a great opportunity to share a few important pieces of information to get the most life out of your detector.

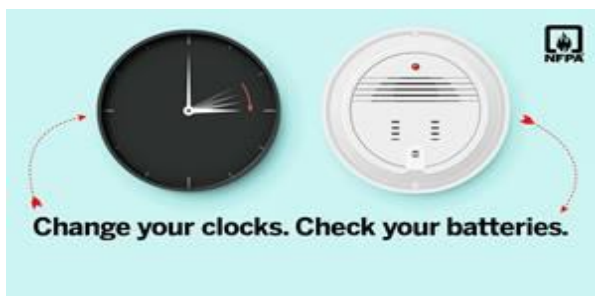

Smoke alarms save lives. When they are properly installed and maintained they play a vital role in reducing fire deaths and injuries. If there is a fire in your home, smoke spreads fast and you need smoke alarms to give you time to get out.

Here's what you need to know:

- A closed door may slow the spread of smoke, heat, and fire. Install smoke alarms in every sleeping room and outside each separate sleeping area. Install alarms on every level of the home.
  - Smoke alarms should be interconnected. When one sounds, they all sound.
    - Large homes may need extra smoke alarms.
  - Test your smoke alarms at least once a month. Press the test button to be sure the alarm is working.
  - Today's smoke alarms will be more technologically advanced to respond to a multitude of fire conditions, yet mitigate false alarms.
    - When a smoke alarm sounds, get outside and stay outside.
    - Replace all smoke alarms in your home every 10 years.

Remember: Change your clocks, change your batteries! The best way to remember when to change your smoke detector battery is when you move your clocks forward for Daylight Savings Time.

For more information on installing and maintaining smoke alarms, click [here](#).

If you're a Willoughby Hills resident and are in need of a smoke detector, please call the City's Fire Department at 440-942-7207.

"Not yet," he replied, "the floor is still wet!"

Our time together is designed to encourage persons in this ever-growing age bracket to explore these dimensions through "SPICES" - the Spiritual, Physical, Intellectual, Community, Emotional, and Service.
