### **MAYOR GARDNER'S REPORT**

I would like to start by thanking the Fire Department, Lake County Red Cross and volunteers from Parker Hannifin and Oatey Co. for their hard work bringing Operation Sound the Alarm to Willoughby Hills last Friday. This group installed over 100 smoke detectors in 40 residences to keep our City safer. The smoke detectors installed by the Fire Department and the Red Cross volunteers have a 10-year battery life, so these homes will be safer for the next decade! If your smoke detectors are more than 10 years old or if you need (or know someone that needs) smoke detectors in their home, the City wants to help. Simply call the Fire Department at 440-942-7207, and they will help coordinate installation of new smoke detectors where they are needed.

Tomorrow is Electronics Recycling Day. From 9:00 AM until Noon, you can drop off your old electronics at City Hall. Most items are accepted free of charge including: PC's, phones, stereos, computer routers, keyboards and VCR/DVD players. CRT Monitors and TVs can be recycled for \$20.00 each while Printers cost \$10.00. Greenboard IT, our recycling company is committed to fully sanitizing any data that may remain on the devices and has a zero landfill policy, so this is a great way to safely dispose of your old electronics. Don't forget to keep gathering any items that you would like to shred as Shred Day will be June 3 at the Shoppes of Willoughby Hills Plaza.

Our Road Program is in full swing. The City's Service Department is working their way through the City repairing damaged areas on our City streets. We are continuing the rejuvenation process we have been using for the last several years. This process restores some of the materials in the asphalt that burn off during road construction, making the road stronger and last longer. Legend Lane, which was resurfaced last summer, was rejuvenated this week. Pleasant Valley Road (west of the historic bridge) has been under construction over the last 2 weeks. The final course was installed on May 11 and the berm installed on May 16. They will paint the lines on the road to wrap-up the project before the end of the month. As I have mentioned in the past, much of our 2023 road funds are committed to the resurfacing of Chardon Road from SOM Center Road to Bishop Road. That project is scheduled for next year, however, ODOT, who is handling the project, requires the City to make its contribution to the project this year.

Trivia Night in Willoughby Hills set a new record Tuesday evening with 11 teams competing. We hope to continue to grow this program, so please mark your calendar for 7:00 PM on the third Tuesday of each month and plan to join the competition. Here are a couple of sample questions from this week's competition:

- What Flower is recognized as the Memorial Day Flower?
- What Famous food brand traces its roots to a chain of restaurants and hotels founded in Cleveland in the early 1900's?

The answers will appear later in this newsletter. Have a great week everyone!

## FIRE

On Wednesday, May 9, 2023 members from Willoughby Hills Fire Rescue traveled to Charlotte, Michigan to the Spartan Emergency Response Fire Truck Manufacture to look over the chassis for their new rescue fire engine.

Chief Gandee, Lt. DiMattia, Fd/Pm Lucic and Martin met with Jesse Sopko from Johnson's Emergency Vehicle Solutions and the Spartan staff.

Thank you to Fire Truck Audit/Inspection Lead, Andy Torrence, for taking his afternoon to take us through the chassis and the outstanding tour of the entire manufacturing campus. It was very impressive!

The chassis will next go to Brandon, South Dakota to have the rear body assembled and mounted to the chassis. Expected completion is July of this year. Spartan has done an outstanding job with sticking to their 440 day estimate.

### Emergency Medical Services (EMS) Week is May 21-27.

EMS is a vital public service. Members of EMS teams provide life-saving care to those in need 24 hours a day, 7 days a week. Access to quality emergency care dramatically improves the survival and recovery rate of those who experience sudden illness or injury.

Be sure to thank an EMS worker this week for all of the work they do.
